Title: Application by Insured Terminally Ill Person for Accelerated Benefit Form SGLI 8284.

OMB Control Number: 2900-0618.

Type of Review: Reinstatement without change of a previously approved collection.

Abstract: VA has amended regulations for the Servicemembers' Group Life Insurance (SGLI) and Veterans' Group Life Insurance (VGLI) programs to add accelerated death benefit (Accelerated Benefit) provisions that permit terminally ill policyholders access to the death benefits of their policies before they die. Traditionally, an individual purchases life insurance in order to safeguard his or her dependents against major financial loss due to his or her death. Life insurance serves to replace the lost income of an insured and to provide for his or her final expenses. In recent years, the insurance industry has recognized the financial needs of terminally ill policyholders and has begun offering policies with accelerated benefit provisions. A recent statutory amendment (Section 302 of the Veterans Programs Enhancement Act of 1998, Pub. L. 105-368, 112 Stat. 3315, 3332-3333) added section 1980 to Title 38, United States Code, which extends an accelerated benefit option to terminally ill persons insured in the SGLI and VGLI programs. This form expired due to high volume of work and staffing changes.
