SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0199.

Title: Capital Planning and Stress Testing, 12 CFR part 702, subpart E.

Abstract: To protect the National Credit Union Share Insurance Fund (NCUSIF) and the credit union system, the largest Federally Insured Credit Unions (FICUs) must have systems and processes to monitor and maintain their capital adequacy. This rule requires

FICUs with assets of \$10 billion or more (covered credit unions) to develop, maintain, and submit a capital plan annually. NCUA took into account the risk to the NCUSIF of the largest FICUs as it considered the need for capital plans at these institutions. The size of these institutions relative to the NCUSIF makes capital planning essential.

Type of Review: Extension of a currently approved collection.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 2,250.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on March 20, 2018.

Dated: March 20, 2018.

**NATIONAL CREDIT UNION
ADMINISTRATION**

**Agency Information Collection
Activities: Proposed Collection;
Comment Request; Joint Standards for
Assessing the Diversity Policies and
Practices**

AGENCY: National Credit Union
Administration (NCUA).

ACTION: Notice and request for comment.

SUMMARY: The National Credit Union Administration (NCUA), as part of a continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the revision of an existing collection, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments should be received on or before May 22, 2018 to be assured consideration.

ADDRESSES: Interested persons are invited to submit written comments on the information collections to Dawn Wolfgang, National Credit Union Administration, 1775 Duke Street, Suite 5080, Alexandria, Virginia 22314; Fax No. 703-519-8579; or Email at PRAComments@NCUA.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information should be directed to the address above or Dawn Wolfgang at 703-548-2279.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0193.

Title: Joint Standards for Assessing the Diversity Policies and Practices.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Act) required

the NCUA, the Office of the Comptroller of the Currency (OCC), Board of Governors of the Federal Reserve System (Board), Federal Deposit Insurance Corporation (FDIC), Bureau of Consumer Financial Protection (CFPB), and Securities and Exchange Commission (SEC) (Agencies) each to establish an Office of Minority and Women Inclusion (OMWI) to be responsible for all matters of the Agency relating to diversity in management, employment, and business activities. The Act also instructed each OMWI Director to develop standards for assessing the diversity policies and practices of entities regulated by the Agency. The Agencies worked together to develop joint standards and, on June 10, 2015, they jointly published in the **Federal Register** the "Final Interagency Policy Statement Establishing Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies."

Type of Review: Revision of a currently approved collection.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated No. of Respondents: 325.

Estimated Annual Frequency: 1.

Estimated Annual Number of Responses: 325.

Estimated Burden Hours per Response: 10.

Estimated Total Annual Burden Hours: 3,250.

Reason for Change: The NCUA had received OMB approval for the use of the "Voluntary Credit Union Self-Assessment Checklist" to provide a user-friendly tool to assess credit unions diversity policies and practices. The NCUA is revising this checklist at this time to:

1. Provide space for the user to identify the credit union's Diversity and Inclusion Officer and Supplier Diversity Officer or equivalents. This information will help gauge the formality of the credit union's diversity and inclusion program and provide direct contact information with individuals holding these positions.

2. Remove the option for a credit union to answer in the negative; only affirmative responses are requested and removing the requirement to provide a comment if the respondent answers a question in the affirmative.

3. Converts the Self-Assessment standards from a question format to a statement format.

4. Provides space for the user to document their definition of diversity if it is broader than just minorities and women as referenced in the joint standards. Collection of this information will allow the NCUA to better
