

Agenda: Topic one: What has been accomplished and what is needed to advance infectious disease research and achieve the end of AIDS?

Topic two: Noncommunicable diseases: how can we leverage existing research and training platforms stem the tide of deaths and disability?

Topic three: Global Brain Disorders: we're on the agenda, where do we go from here? What are the priorities for advancing the global mental health research agenda?

Topic four: Multi-generational models of long-term capacity building: the trainees become the trainers.

Contact Person: Kristen Weymouth, Executive Secretary, Fogarty International Center, National Institutes of Health, 31 Center Drive, Room B2C02, Bethesda, MD 20892, (301) 496-1415, weymouthk@mail.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: <http://www.fic.nih.gov/About/Advisory/Pages/default.aspx>, where an agenda and any additional information for the meeting will be posted when available.

[Docket No. FWS-HQ-IA-2018-0001; FXIA1671090000-178-FF09A30000]

Endangered Species; Receipt of Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on applications to conduct certain activities with foreign endangered species. With some exceptions, the Endangered Species Act (ESA) prohibits activities with listed species unless Federal authorization is acquired that allows such activities. The ESA also requires that we invite public comment before issuing these permits.

DATES: We must receive comments by April 25, 2018.

ADDRESSES: *Document availability:* The applications, as well as any comments and other materials that we receive, will be available for public inspection online in Docket No. FWS-HQ-IA-2018-0001 at <http://www.regulations.gov>.

Submitting Comments: You may submit comments by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments on Docket No. FWS-HQ-IA-2018-0001.

- *U.S. mail or hand-delivery:* Public Comments Processing, Attn: Docket No. FWS-HQ-IA-2018-0001; U.S. Fish and Wildlife Service Headquarters, MS: BPHC; 5275 Leesburg Pike, Falls Church, VA 22041-3803.

When submitting comments, please indicate the name of the applicant and the PRT# at the beginning of your comment. We will post all comments on <http://www.regulations.gov>. This generally means that we will post any personal information you provide us (see **SUPPLEMENTARY INFORMATION** for more information).

FOR FURTHER INFORMATION CONTACT: Joyce Russell, 703-358-2280.

SUPPLEMENTARY INFORMATION:

I. Public Comment Procedures

A. How do I comment on submitted applications?

You may submit your comments and materials by one of the methods listed under *Submitting Comments* in the **ADDRESSES** section. We will not consider comments sent by email or fax,

or to an address not in the **ADDRESSES** section.

Please make your requests or comments as specific as possible, confine your comments to issues for which we seek comments in this notice, and explain the basis for your comments. Include sufficient information with your comments to allow us to authenticate any scientific or commercial data you include.

The comments and recommendations that will be most useful and likely to influence agency decisions are: (1) Those supported by quantitative information or studies; and (2) Those that include citations to, and analyses of, the applicable laws and regulations. We will not consider or include in our administrative record comments we receive after the close of the comment period (see **DATES**) or comments delivered to an address other than those listed above in **ADDRESSES**).

B. May I review comments submitted by others?

Comments, including names and street addresses of respondents, will be available for public review at the street address listed under **ADDRESSES**. The public may review documents and other information applicants have sent in support of the application unless our allowing viewing would violate the Privacy Act or Freedom of Information Act. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

C. Who will see my comments?

If you submit a comment via <http://www.regulations.gov>, your entire comment, including any personal identifying information, will be posted on the website. If you submit a hardcopy comment that includes personal identifying information, such as your address, phone number, or email address, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so.

II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(a)(1)(A) of the Endangered Species Act of 1973, as

amended (ESA; 16 U.S.C. 1531 *et seq.*), we invite public comment on these permit applications before final action is taken.

III. Permit Applications

We invite the public to comment on applications to conduct certain activities with endangered species. With some exceptions, the ESA prohibits activities with listed species unless Federal authorization is acquired that allows such activities.

Applicant: NOAA/Pacific Islands Regional Office, Honolulu, HI; PRT-022729

The applicant requests reissuance of their permit to import from the high seas samples and/or whole carcasses of short-tailed albatross (*Phoebastria albatrus*) for the purpose of enhancement of the species through scientific research. This notice covers activities conducted by the applicant over a 5-year period.

Applicant: Southwest Fisheries Science Center, La Jolla, CA; PRT-68677C (Previously PRT-844694)

The applicant requests reissuance of the permit to import biological samples collected from wild and captive-bred animals of Kemp's ridley sea turtle (*Lepidochelys kempii*), hawksbill sea turtle (*Eretmochelys imbricata*), leatherback sea turtle (*Dermochelys coriacea*), green sea turtle (*Chelonia mydas*), loggerhead sea turtle (*Caretta caretta*), and olive ridley sea turtle (*Lepidochelys olivacea*) for the purpose of scientific research. Samples are collected from live or salvaged specimens. This notification covers activities conducted by the applicant over a 5-year period.

Applicant: Zoological Society of San Diego; PRT-53381C

The applicant requests a permit to import one male and two female captive-born quokka (*Setonix brachyurus*) to enhance the propagation and survival of the species. This notification is for a single import.

Applicant: Zoological Society of Pittsburgh; PRT-69379C

The applicant requests a permit to import African elephant (*Loxodonta africana*) semen to enhance the propagation and survival of the species. This notification is for multiple imports.

Applicant: Charles Jordan, d/b/a NBJ Zoological Park, LTD., Spring Ranch, TX; PRT-751619

The applicant requests a captive-bred wildlife registration under 50 CFR 17.21(g) for the following species to enhance species propagation or survival: Arabian oryx (*Oryx leucoryx*), ring-tailed lemur (*Lemur catta*), black and white ruffed lemur (*Varecia*

variegata), brown lemur (*Eulemur fulvus*), Diana monkey (*Cercopithecus diana*), and lar gibbon (*Hylobates lar*). This notification covers activities to be conducted by the applicant over a 5-year period.

Multiple Trophies

The following applicants each request a permit to import sport-hunted trophies of a male bontebok (*Damaliscus pygargus pygargus*) culled from a captive herd maintained under the management program of the Republic of South Africa, for the purpose of enhancing the propagation or survival of the species.

Applicant: Thomas McRae Sloan, Midland, TX; PRT-63058C

Applicant: Frazer Wadenstorer, Holly, MI; PRT-44772C

Agency Information Collection Activities: Native American Graves Protection and Repatriation Regulations

AGENCY: National Park Service, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the National Park Service is proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before May 25, 2018.

ADDRESSES: Send your comments on the information collection request (ICR) by mail to Tim Goddard, Information Collection Clearance Officer, National Park Service, 12201 Sunrise Valley Drive, MS-242, Reston, VA 20192; or by email to tim.goddard@nps.gov. Please reference OMB Control Number 1024-0144 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Melanie O'Brien, Manager, National Native American Graves Protection and Repatriation Act (NAGPRA) Program, by email at melanie_o'brien@nps.gov, or by telephone at 202-354-2204.

SUPPLEMENTARY INFORMATION: We (National Park Service, NPS), in accordance with the Paperwork Reduction Act of 1995, provide the general public and other Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary for the proper functions of the NPS National Native American Graves Protection and Repatriation Act (NAGPRA) Program; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the NPS National NAGPRA Program enhance the quality, utility, and clarity of the information to be collected; and (5) how might the NPS National NAGPRA Program minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our response to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your
