SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82922; File No. SR-NYSE-2018-09]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Change To Amend the Eleventh Amended and Restated Operating Agreement

March 22, 2018.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that, on March 12, 2018, New York Stock Exchange

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Eleventh Amended and Restated Operating Agreement of New York Stock Exchange LLC (the “Operating Agreement”) to make a technical change updating the registered office and registered agent in the state of New York. A conforming change would be made to update the date of the Operating Agreement. The proposed change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Operating Agreement to make a technical change updating the registered office and registered agent in the state of New York. A conforming change would be made to update the date of the Operating Agreement.

The Exchange is a limited liability company organized under the laws of the State of New York. As such, it has and maintains a registered office and registered agent in New York.⁴

Article I, Section 1.05 of the Operating Agreement provides that the address of the registered office of the

Exchange in the State of New York is c/o National Registered Agents, Inc., 875 Avenue of the Americas, Suite 501, New York, NY 10001. The Exchange proposes to amend such provision to provide that the address is c/o United Agent Group Inc., 15 North Mill Street, Nyack, Rockland County, New York 10960.

Article I, Section 1.06 of the Operating Agreement provides that the name and address of the registered agent of the Exchange for service of process on the Exchange in the State of New York is National Registered Agents, Inc., 875 Avenue of the Americas, Suite 501, New York, NY 10001. The Exchange proposes to amend such provision to provide that the name and address is United Agent Group Inc., 15 North Mill Street, Nyack, Rockland County, New York 10960.

The changes are non-substantive technical administrative changes.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act⁵ in general, and with Section 6(b)(1)⁶ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed rule change is a non-substantive administrative change that does not impact the governance or ownership of the Exchange. The Exchange believes that the proposed rule change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because ensuring that the Operating Agreement identifies the registered agent and registered office in New York and making a conforming change to the date of the Operating Agreement would contribute to the orderly operation of the Exchange by adding clarity and transparency to its rules.

For similar reasons, the Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ in that it is designed to prevent fraudulent and manipulative acts and

practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system by ensuring that market participants can more easily navigate, understand and comply with its rules. The Exchange believes that, by ensuring that such rules accurately identify the registered agent and registered office in New York, and by making a conforming change to the date of the Operating Agreement, the proposed rule change would reduce potential investor or market participant confusion.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not designed to address any competitive issue but rather is concerned solely with making a technical change updating the registered office and registered agent of the Exchange.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(3)⁹ thereunder in that the proposed rule change is concerned solely with the administration of the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:

Rule 11a-3, SEC File No. 270-321, OMB Control No. 3235-0358

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Section 11(a) of the Investment Company Act of 1940 ("Act") (15 U.S.C. 80a-11(a)) provides that it is unlawful for a registered open-end investment company ("fund") or its underwriter to make an offer to the fund's shareholders or the shareholders of any other fund to exchange the fund's securities for securities of the same or another fund on any basis other than the relative net asset values ("NAVs") of the respective securities to be exchanged, "unless the terms of the offer have first been submitted to and approved by the Commission or are in accordance with such rules and regulations as the Commission may have prescribed in respect of such offers." Section 11(a) was designed to prevent "switching," the practice of inducing shareholders of one fund to exchange their shares for the shares of another fund for the purpose of exacting additional sales charges.

Rule 11a-3 (17 CFR 270.11a-3) under the Act of 1940 is an exemptive rule that permits open-end investment companies ("funds"), other than insurance company separate accounts, and funds' principal underwriters, to make certain exchange offers to fund shareholders and shareholders of other funds in the same group of investment

companies. The rule requires a fund, among other things, (i) to disclose in its prospectus and advertising literature the amount of any administrative or redemption fee imposed on an exchange transaction, (ii) if the fund imposes an administrative fee on exchange transactions, other than a nominal one, to maintain and preserve records with respect to the actual costs incurred in connection with exchanges for at least six years, and (iii) give the fund's shareholders a sixty day notice of a termination of an exchange offer or any material amendment to the terms of an exchange offer (unless the only material effect of an amendment is to reduce or eliminate an administrative fee, sales load or redemption fee payable at the time of an exchange).

The rule's requirements are designed to protect investors against abuses associated with exchange offers, provide fund shareholders with information necessary to evaluate exchange offers and certain material changes in the terms of exchange offers, and enable the Commission staff to monitor funds' use of administrative fees charged in connection with exchange transactions.

The staff estimates that there are approximately 1,606 active open-end investment companies registered with the Commission as of September 2017. The staff estimates that 25 percent (or 402) of these funds impose a non-nominal administrative fee on exchange transactions. The staff estimates that the recordkeeping requirement of the rule requires approximately 1 hour annually of clerical time per fund, for a total of 402 hours for all funds.

The staff estimates that 5 percent of these 1,606 funds (or 80) terminate an exchange offer or make a material change to the terms of their exchange offer each year, requiring the fund to comply with the notice requirement of the rule. The staff estimates that complying with the notice requirement of the rule requires approximately 1 hour of attorney time and 2 hours of clerical time per fund, for a total of approximately 240 hours for all funds to comply with the notice requirement. The staff estimates that such notices will be enclosed with other written materials sent to shareholders, such as annual shareholder reports or account statements, and therefore any burdens associated with mailing required notices are accounted for in the burdens associated with Form N-1A registration statements for funds. The recordkeeping and notice requirements together therefore impose a total burden of 642 hours on all funds. The total number of respondents is 482, each responding once a year. The burdens associated
