DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation and Recovery Act

On March 23, 2018, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Pennsylvania in the lawsuit entitled *United States v. Renaissance Land Associates II, L.P., et al.*, Civil Action No. 18–01205–JD.

The United States filed this lawsuit under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA). The United States’ complaint names two related entities, Renaissance Land Associates II, L.P., and Renaissance Land Associates III, L.P., as defendants. The complaint requests injunctive relief in the form of performing certain remedial actions and recovery of response costs incurred by the United States in connection with Operable Units 1 and 2 of the Crater

Resources, Inc. Superfund Site (“Site”) located in Upper Merion Township, Montgomery County, Pennsylvania. Under the Consent Decree, the defendants agree to pay past response costs of \$138,800 and pay the United States’ interim and future costs related to negotiating the Consent Decree and overseeing the remedial action. The defendants also agree to implement the response action prescribed by EPA for Operable Units 1 and 2, namely, capping the remaining contamination to health-protective standards for residents. In return, the United States agrees not to sue the defendants under sections 106 and 107 of CERCLA.

If the defendants, which are commercial developers, convey their Site property in the future, the Consent Decree binds the defendants’ successors to various operations and maintenance and institutional controls obligations. The United States’ covenant not to sue the defendants extends to their successors provided that the successors execute a form requiring them to comply with various Consent Decree conditions. The covenant not to sue extends only to contamination that exists at the Site as of the effective date of the Consent Decree.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States Renaissance Land Associates II, L.P., et al.*, D.J. Ref. No. 90–11–2–1283/4. All comments must be submitted no later than thirty (30) days after publication of this notice. Comments may be submitted either by email or by mail:

DEPARTMENT OF LABOR

Employment and Training Administration

Notice of a Change in Status of an Extended Benefit (EB) Period for Alaska

AGENCY: Employment and Training Administration, Department of Labor.

ACTION: Notice.

SUMMARY: This notice announces a change in benefit period eligibility under the EB Program for Alaska.

The following change has occurred since the publication of the last notice regarding the state’s EB status:

- Based on data released by the Bureau of Labor Statistics on March 12, 2018, Alaska’s 3-month average seasonally adjusted total unemployment rate (TUR) remains above 6.5 percent for the 3-months ending January 2018. However, this rate fails to meet the requirement of being at least 110 percent of the seasonally adjusted TUR for the corresponding period in either of the prior two years. Therefore, the EB period for Alaska will end on April 7, 2018. The state will remain in an “off” period for a minimum of 13 weeks.

Information for Claimants

The duration of benefits payable in the EB Program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state ending an EB period, the State Workforce Agency will furnish a written notice to each individual who is currently filing claims for EB of the forthcoming termination of the EB period and its effect on the individual’s right to EB (20 CFR 615.13 (c)).

Persons who believe they may be entitled to EB, or who wish to inquire about their rights under the program, should contact their State Workforce Agency.
