

(2) That you may submit to ABMC a concise statement setting forth the reasons for your disagreement as to the disputed record. Under the procedures set forth in paragraph (f) of this section, your statement will be disclosed whenever the disputed record is disclosed; and

(3) That you may seek judicial review of the Secretary's determination under 5 U.S.C. 552a(g)(1).

(f) Whenever you submit a statement of disagreement to ABMC in accordance with paragraph (e)(2) of this section, the record will be annotated to indicate that it is disputed. In any subsequent disclosure, a copy of your statement of disagreement will be disclosed with the record. If ABMC deems it appropriate, a concise statement of the Secretary's reasons for denying your appeal also may be disclosed with the record. While you will have access to this statement of the Secretary's reasons for denying your appeal, such statement will not be subject to correction or amendment. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be provided a copy of your statement of disagreement, as well as any statement of the Secretary's reasons for denying your appeal deemed appropriate.

§ 407.8 Fees charged to locate, review, or copy records.

(a) ABMC will charge no fees for search time or for any other time expended by ABMC to review a record. However, ABMC may charge fees where you request that a copy be made of a record to which you have been granted access. Where a copy of the record must be made in order to provide access to the record (e.g., computer printout where no screen reading is available), the copy will be made available to you without cost.

(b) Copies of records made by photocopy or similar process will be charged to you at the rate of \$0.15 per page. Where records are not susceptible to photocopying (e.g., punch cards, magnetic tapes, or oversize materials), you will be charged actual cost as determined on a case-by-case basis. Copying fees will not be charged if the cost of collecting a fee would be equal to or greater than the fee itself. Copying fees for contemporaneous requests by the same individual shall be aggregated to determine the total fee.

(c) Special and additional services provided at your request, such as certification or authentication, postal insurance, and special mailing arrangement costs, will be charged to you at the rates set forth in § 404.7(e) of this chapter.

(d) You may request that a copying fee not be charged or, alternatively, be reduced, by submitting a written petition to ABMC's General Counsel (see § 407.3) asserting that you are indigent. If the General Counsel determines, based on the petition, that you are indigent and that ABMC's resources permit a waiver of all or part of the fee, the General Counsel may, in his or her discretion, waive or reduce the copying fee.

(e) All fees shall be paid before any copying request is undertaken. Payments shall be made by check or money order payable to "American Battle Monuments Commission."

§ 407.9 Procedures for maintaining accounts of disclosures made by ABMC from its systems of records.

(a) The Office of the General Counsel shall maintain a log containing the date, nature, and purpose of each disclosure of a record to any person or to another agency. Such accounting also shall contain the name and address of the person or agency to whom each disclosure was made. This log need not include disclosures made to ABMC employees in the course of their official duties, or pursuant to the provisions of the Freedom of Information Act (5 U.S.C. 552).

(b) ABMC will retain the accounting of each disclosure for at least five years after the disclosure for which the accounting is made or for the life of the record that was disclosed, whichever is longer.

(c) ABMC will make the accounting of disclosures of a record pertaining to you available to you at your request. Such a request should be made in accordance with the procedures set forth in § 407.4. This paragraph (c) does not apply to disclosures made for law enforcement purposes under 5 U.S.C. 552a(b)(7).

Records Management

AGENCY: National Archives and Records Administration (NARA).

ACTION: Direct final rule.

SUMMARY: NARA is revising these regulations to make administrative changes, such as updating office names and organizational codes, updating URLs, and updating links to NARA's records management web pages, to reflect organizational and contact changes, and revising the incorporation by reference language to make it consistent with newer regulations and to reflect contact changes.

DATES: This rule is effective on April 30, 2018 without further notice, unless we receive adverse written comment that warrants revision by April 19, 2018. If we receive such comments, we will publish a timely withdrawal of the direct final rule in the **Federal Register**.

ADDRESSES: You may submit comments, identified by RIN 3095-AB95, by email at regulation_comments@nara.gov, or by mail to the External Policy Program Manager; Strategy Division (MP), Suite 4100; National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001.

FOR FURTHER INFORMATION CONTACT: Kimberly Keravuori, by email at regulation_comments@nara.gov, or by telephone at 301-837-3151.

SUPPLEMENTARY INFORMATION:

Regulatory Review Information

This rule is not a significant regulatory action for the purposes of E.O. 12866 and a significance determination was requested from the Office of Management and Budget (OMB). It is also not a major rule as defined in 5 U.S.C. Chapter 8, Congressional Review of Agency Rulemaking. As a result, this rule is also not subject to deregulatory requirements contained in E.O. 13771. As required by the Regulatory Flexibility Act, we certify that this rule will not have a significant impact on a substantial number of small entities; it simply updates contact, office, and agency online site information to reflect organizational changes. This rule also

does not have any Federalism implications.

This rule is effective upon publication for good cause as permitted by the Administrative Procedure Act (5 U.S.C. 553(d)(3)). NARA believes that a public comment period is unnecessary as this rule merely makes minor administrative updates to reflect NARA organizational changes.

SUPPLEMENTARY INFORMATION:

I. Background

Each state has a SIP containing the control measures and strategies used to attain and maintain the national ambient air quality standards (NAAQS). The SIP is extensive, containing such elements as air pollution control regulations, emission inventories, monitoring networks, attainment demonstrations, and enforcement mechanisms.

Each state must formally adopt the control measures and strategies in the SIP after the public has had an opportunity to comment on them and then submit the proposed SIP revisions to EPA. Once these control measures and strategies are approved by EPA, after notice and comment, they are incorporated into the federally-approved SIP and are identified in part 52 “Approval and Promulgation of Implementation Plans,” Title 40 of the Code of Federal Regulations (40 CFR part 52). The full text of the state regulation approved by EPA is not reproduced in its entirety in 40 CFR part 52, but is “incorporated by reference.” This means that EPA has approved a given state regulation with a specific effective date. The public is referred to the location of the full text version should they want to know which measures are contained in a given SIP. The information provided allows EPA

and the public to monitor the extent to which a state implements a SIP to attain and maintain the NAAQS and to take enforcement action if necessary.

The SIP is a living document which the state can revise as necessary to address the unique air pollution problems in the state. Therefore, EPA from time to time must take action on proposed revisions containing new and/or revised state regulations. A submission from a state can revise one or more rules in their entirety or portions of rules, or even change a single word. The state indicates the changes in the submission (such as, by using redline/strikethrough) and EPA then takes action on the requested changes. EPA establishes a docket for its actions using a unique Docket Identification Number, which is listed in each action. These dockets and the complete submission are available for viewing on www.regulations.gov.

On May 22, 1997, (62 FR 27968), EPA revised the procedures for incorporating by reference, into the Code of Federal Regulations, materials approved by EPA into each state SIP. These changes revised the format for the identification of the SIP in 40 CFR part 52, streamlined the mechanisms for announcing EPA approval of revisions to a SIP, and streamlined the mechanisms for EPA's updating of the IBR information contained for each SIP in 40 CFR part 52. The revised procedures also called for EPA to maintain “SIP Compilations” that contain the federally-approved regulations and source specific permits submitted by each state agency. These SIP Compilations are contained in 3-ring binders and are updated primarily on an annual basis. Under the revised procedures, EPA must periodically publish an informational document in the rules section of the **Federal Register** notifying the public that updates have been made to a SIP Compilation for a particular state. EPA applied the 1997 revised procedures to Alabama on December 22, 1998 (63 FR 70669).

II. EPA Action

This action represents EPA's publication of the Alabama SIP Compilation update, appearing in 40 CFR part 52: specifically, the materials of paragraphs (c) and (d) at 40 CFR 52. In addition, notice is provided of the following corrections to paragraph (c) of section 52.50, as described below:

A. Under the “State effective date” and “EPA approval date” changing the 2-digit year to reflect a 4-digit year (for consistency) and correcting numerous **Federal Register** citations to reflect the
