

burning permits in §§ 49.132, 49.133, and 49.134; the rule for emissions detrimental to human health and welfare in § 49.135; the registration rule in § 49.138; and the rule for non-Title V operating permits in § 49.139. EPA uses this information to manage the activities and sources of air pollution on the Indian reservations in Idaho, Oregon, and Washington. These information collection requirements enable EPA to develop and maintain accurate records of air pollution sources and their emissions, track emissions trends and changes, identify potential air quality problems, allow EPA to issue permits or approvals, and ensure appropriate records are available to verify compliance with these FIPs. Regulated entities can assert claims of business confidentiality and EPA will address these claims in accordance with the provisions of 40 CFR part 2, subpart B.

The forms listed above are available for review in the EPA docket.

Respondents/affected entities: Respondents or affected entities potentially affected by this action include owners and operators of emission sources in all industry groups and tribal governments, located in the identified Indian reservations. Categories and entities potentially affected by this action are included in the docketed supporting documents.

Respondent's obligation to respond: Respondents obligation to respond is mandatory. See 40 CFR 49.122, 49.124, 49.126, 49.130-135, 49.138, and 49.139.

Estimated number of respondents: 1,658 (total).

Frequency of response: Annual or on occasion.

Total estimated burden: 4,215 hours (per year). Burden is defined at 5 CFR 1320.03(b).

Total estimated cost: \$313,301 (per year), includes \$0 annualized capital or operation & maintenance costs.

Changes in estimates: There is a decrease of 854 hours in the total estimated respondent burden compared with the ICR currently approved by OMB. The decrease in the burden estimate for this collection is based on input from source consultations, supersedence of the provisions of one rule (49.139), and information we have learned about the source universe through implementing the rules since the ICR was updated in 2015.

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0647]

Information Collection Being Submitted to the Office of Management and Budget

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display

a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before April 30, 2018.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, OMB, via email Nicholas.A.Fraser@omb.eop.gov; and to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov. Include in the comments the Title as shown in the **SUPPLEMENTARY INFORMATION** section below.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called "Currently Under Review," (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, (6) when the list of Commission ICRs currently under review appears, look for the Title of this ICR and then click on the ICR Reference Number. A copy of the Commission's submission to OMB will be displayed.

OMB Control Number: 3060-0647.

Title: Annual Survey of Cable Industry Prices, FCC Form 333.

Form Number: FCC Form 333.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; State, local or Tribal Government.

Number of Respondents and Responses: 728 respondents and 728 responses.

Estimated Time per Response: 7 hours.

Frequency of Response: Annual reporting requirement.

Total Annual Burden: 5,096 hours.

Total Annual Cost: None.

Obligation To Respond: Mandatory. The statutory authority for this information collection is in Sections 4(i) and 623(k) of the Communications Act of 1934, as amended.

Nature and Extent of Confidentiality: If individual respondents to this survey wish to request confidential treatment of any data provided in connection with this survey, they can do so upon written request, in accordance with Sections 0.457 and 0.459 of the Commission's

rules. To request confidential treatment of their data, respondents must describe the specific information they wish to protect and provide an explanation of why such confidential treatment is appropriate. If a respondent submits a request for confidentiality, the Commission will review it and make a determination.

Privacy Impact Assessment: No impact(s).

Needs and Uses: The Cable Television Consumer Protection and Competition Act of 1992 ("Cable Act") requires the Commission to publish annually a report on average rates for basic cable service, cable programming service, and equipment. The report must compare the prices charged by cable operators subject to effective competition and those that are not subject to effective competition. The Annual Cable Industry Price Survey is intended to collect the data needed to prepare that report. The data from these questions are needed to complete this report.

Federal Communications Commission.
