Act (Pub. L. 103–62); it will inform stakeholders of progress in meeting the goals of the program and of sustainability efforts; it will provide OAH with metrics for monitoring TPP grantees and it will facilitate grantees' continuous quality improvement in

program implementation. Clearance is requested for three years.

The likely respondents would be the estimated 85 TPP grantees. TPP grantees will report all of the data to OAH twice per year.

SUPPLEMENTARY INFORMATION:

I. Background and Authority

The ISMICC was established on March 15, 2017, in accordance with section 6031 of the 21st Century Cures Act, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to report to the Secretary, Congress, and any other relevant federal department or agency on advances in serious mental illness (SMI) and serious emotional disturbance (SED), research related to the prevention of, diagnosis of, intervention in, and treatment and recovery of SMIs, SEDs, and advances in access to services and support for adults with SMI or children with SED. In addition, the ISMICC will evaluate the effect federal programs related to serious mental illness have on public health, including public health outcomes such as (A) rates of suicide, suicide attempts, incidence and prevalence of SMIs, SEDs, and substance use disorders, overdose, overdose deaths, emergency hospitalizations, emergency room boarding, preventable emergency room visits, interaction with the criminal
