SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection (check justification or form 83):* Extension, without change, of a currently approved collection.

2. *The Title of the Form/Collection:* Federal Explosives License/Permit (FEL) Renewal Application.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number (if applicable): ATF Form 5400.14/5400.15 Part III.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.
Other (if applicable): Federal Government, State, Local, or Tribal Government.

Abstract: Licenses or permits are issued for a specific period of time and are renewable upon the same conditions as the original license or permit. In order to continue uninterrupted in these activities, licenses and permits

can be renewed by filing a short renewal application.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 2,500 respondents will respond once to this information collection, and it will take each respondent approximately 20 minutes to provide each response.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 825 hours, which is equal to 2,500 (total # of responses) *.33 (20 minutes per each response.).

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms and Explosives

[OMB Number 1140-0060]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Currently Approved Collection; Firearms Disabilities for Nonimmigrant Aliens

AGENCY: Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection OMB Number 1140-0060 (Firearms Disabilities for Nonimmigrant Aliens), is being revised due to a reduction in burden, since there is a decrease in the number of respondents, response time, and total burden hours from the previous renewal in 2015. The proposed information collection is also being

published to obtain comments from the public and affected agencies.

DATES: Comments are encouraged and will be accepted for 60 days until June 5, 2018.

FOR FURTHER INFORMATION CONTACT: If you have additional comments, particularly with respect to the estimated public burden or associated response time, have suggestions, need a copy of the proposed information collection instrument with instructions, or desire any additional information, please contact L. William Babbie, ATF Firearms & Explosives Industry Division either by mail at 99 New York Avenue NE, Washington, DC 20226, by email at fipb-informationcollection@atf.gov, or by telephone at 202-648-7252.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection (check justification or form 83):* Revision of a currently approved collection.

2. *The Title of the Form/Collection:* Firearms Disabilities for Nonimmigrant Aliens.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number (if applicable): None.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other (if applicable): None.

Abstract: The nonimmigrant alien information is used to determine if a nonimmigrant alien is eligible to obtain a Federal firearms license and purchase, obtain, possess, or import a firearm. Nonimmigrant aliens also must maintain the documents while in possession of firearms or ammunition in the United States for verification purposes.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 1,434 respondents will respond once to this information collection, and it will take each respondent approximately 4.08 minutes to provide their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 98 hours, which is equal to 1,434 (# of responses) * .068 hours (4.08 minutes).

7. *An Explanation of the Change in Estimates:* The decrease in the total number of respondents by 14, 347, the time taken for each response by 2 minutes, as well as a reduction in total burden 1,489 respectively, is due to the change in methodology used to calculate the current public burden, which differs from that which was used during the previous renewal in 2015.

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Safe Drinking Water Act

On March 28, 2018, the Department of Justice lodged a Consent Decree with defendant Beaverhead County Jackson Water and/or Sewer District (“Beaverhead”) in the United States District Court for the District of Montana. The Consent Decree resolves claims under Sections 1412 and 1414(b)

of the Safe Drinking Water Act (“SDWA”), 42 U.S.C. 300g-1 and 300g-3(b), for violations of certain National Primary Drinking Water Regulations (“NPDWRs”) in the public water supply system in Beaverhead County, Montana. The Complaint filed concurrently with the Consent Decree alleges that Beaverhead owned and/or operated a public water system and failed to comply with maximum contaminant levels and monitoring and reporting requirements. The proposed Consent Decree obligates Beaverhead to achieve and maintain continual, long-term compliance with the NPDWRs and state drinking water regulations.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America v. Beaverhead County Jackson Water and/or Sewer District*, Civil Action No. 2:18-cv-00023 (D. Mont.), DOJ number 90-5-1-1-11445. All comments must be submitted no later than 30 days after the publication date of this notice. Comments may be submitted either by email or by mail:

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under The Clean Water Act

On April 2, 2018, the Department of Justice (DOJ) lodged a proposed Consent Decree with the United States District Court for the Northern District of Indiana in *United States and State of Indiana v. United States Steel Corporation*, Civil Action No. 2:18-cv-00127. The lodging of the proposed Decree immediately followed DOJ's filing in the same court of a civil complaint (Complaint) against United States Steel Corporation (U.S. Steel).

The proposed Consent Decree resolves Clean Water Act and Emergency Planning and Community Right-to-Know Act claims in the Complaint by the United States on behalf of the U.S. Environmental Protection Agency (EPA), the National Park Service (NPS), and the National Oceanic and Atmospheric Administration (NOAA), and by Co-Plaintiff the State of Indiana (State) on behalf of the Indiana Department of Environmental Management and the Indiana Department of Natural Resources. Under the proposed Decree, U.S. Steel agrees, among other things, to undertake measures to improve its wastewater processing monitoring system at its steel manufacturing and finishing facility, known as the Midwest Plant, in Portage, Indiana. U.S. Steel also agrees to pay a civil penalty to EPA and the State and to reimburse EPA and the NPS for response costs incurred as a result of an April 2017 spill of wastewater containing hexavalent chromium. U.S. Steel will also pay costs to NOAA for assessing natural resource damages due to the April 2017 spill, and damages to NPS resulting from the closure of several beaches along the Indiana Dunes National Lakeshore due to the spill.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States et al v. United States Steel Corporation*, D.J. Ref. No. 90-5-2-1-06476/2. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
