FMCSA expects the motor carriers and drivers operating under the terms and conditions of this exemption to maintain their safety record. However, should safety deteriorate, FMCSA will, consistent with the statutory requirements of 49 U.S.C. 31315, take all steps necessary to protect the public interest. Authorization of the exemption is discretionary, and FMCSA will immediately revoke the exemption of any motor carrier or driver for failure to comply with the terms and conditions of the exemption.

II. Background

On January 16, 2018, FMCSA published a notice announcing its decision to renew exemptions for 109 individuals from the vision requirement in 49 CFR 391.41(b)(10) to operate a CMV in interstate commerce and requested comments from the public (83 FR 2306). The public comment period ended on February 15, 2018, and no comments were received.

As stated in the previous notice, FMCSA has evaluated the eligibility of these applicants and determined that renewing these exemptions would achieve a level of safety equivalent to or greater than the level that would be achieved by complying with the current regulation 49 CFR 391.41(b)(10).

The physical qualification standard for drivers regarding vision found in 49 CFR 391.41(b)(10) states that a person is
