FOR FURTHER INFORMATION CONTACT: Jerry Huang, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4047.

SUPPLEMENTARY INFORMATION:

Background

On May 9, 2017, Commerce initiated the antidumping duty administrative review on uncoated paper from Brazil.¹ The review covers one producer/exporter of the subject merchandise, Suzano Papel e Celulose S.A. (Suzano). The period of review (POR) is August 27, 2015 through February 28, 2017. Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through January 22, 2018. As a result, the revised deadline for the preliminary results of this review is now April 3, 2018.² Interested parties are invited to comment on these preliminary results.

Scope of the Order

The product covered by this review is uncoated paper from Brazil. For a full description of the scope see the Preliminary Decision Memorandum dated concurrently with and hereby adopted by this notice.³

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of the topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum is

available at <http://enforcement.trade.gov/frn/>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Administrative Review

We preliminarily determine that the following weighted-average dumping margin exists for the period August 27, 2015 through February 28, 2017.

Exporter/producer	Weighted-average margin %
Suzano Papel e Celulose S.A.	17.39

Disclosure and Public Comment

We intend to disclose the calculations performed for these preliminary results to the parties within five days after public announcement of the preliminary results in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁴ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.⁵

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.⁶ Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rate

If a respondent's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).⁷ If a respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of review, we will instruct U.S. Customs and Border Protection (CBP) to liquidate the appropriate entries without regard to antidumping duties in accordance with the Final Modification for Reviews.⁸ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future deposits of estimated duties, where applicable.

For entries of subject merchandise during the period of review produced by Suzano Papel e Celulose S.A. for which they did not know their merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements for estimated antidumping duties will be effective upon publication of the notice of final results of this review for all shipments of uncoated paper from Brazil entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for companies subject to this review will be equal to the weighted-average dumping margins established in the final results of the review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate

published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 27.11 percent, the all-others rate established in the less-than-fair-value investigation.⁹

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

Dated: April 3, 2018.

Certain Uncoated Paper From Indonesia: Preliminary Results of Countervailing Duty Administrative Review; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain uncoated paper from Indonesia. The period of review is June 29, 2015, through December 31, 2016. Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 10, 2018.

FOR FURTHER INFORMATION CONTACT:

David Goldberger or Darla Brown, Office II, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-1791, respectively.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the notice of initiation of this administrative review on May 9, 2017.¹ On November 6, 2017, Commerce postponed the preliminary results of this review until April 2, 2018.² Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through January 22, 2018. As a result, the revised deadline for the preliminary results of this review is now April 3,

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 82 FR 21513 (May 9, 2017) (*Initiation Notice*).

² See Memorandum, "Certain Uncoated Paper from Indonesia: Extension of Deadline for Preliminary Results of 2015-2016 Countervailing Duty Administrative Review," dated November 6, 2017.

2018.³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴

Period of Review

According to section 351.213(e)(2)(ii) of Commerce's regulations, the first administrative review of a countervailing duty order should cover the period from the initial date of suspension of liquidation of the subject merchandise to the end of the most recently completed calendar or fiscal year. In this case, suspension of liquidation began on June 29, 2015.⁵ Therefore, the period of review (POR) for which we are measuring countervailable subsidies is from June 29, 2015 through December 31, 2016.

Because it is Commerce's practice to calculate subsidy rates on an annual basis, we calculated a 2015 rate and a 2016 rate. The rate calculated for 2015 will be applicable only to entries, or withdrawals from warehouse, for consumption made on and after June 29, 2015 through the end of 2015.

Scope of the Order

The products covered by the order are certain uncoated paper from Indonesia. A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.⁶

Methodology

Commerce is conducting this countervailing duty (CVD) review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our preliminary conclusions,
