SUPPLEMENTARY INFORMATION:

Agenda

The Fishery Data for Stock Assessment Working Group will start the meeting with welcoming and introductions as this is the first meeting of this working group. The group will review working group objectives and timeline. They will begin discussions on how the working group can meet the objective of how fishery dependent data can be used to inform stock abundance. The group will also identify work to address the four main deliverables. Other business may be discussed if necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. This meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
