### Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, Without Revision, of the Following Report

**OMB control number:** 7100-0201.

**Estimated average hours per response:** Notifications, 6 hours; Furnishing of credit information, 2.5 hours; Record retention (Applications, actions, and prescreened solicitations), 8 hours; Information for monitoring purposes, 0.25 hours; Rules on providing appraisal reports (Providing appraisal report), 3 hours; Self-testing: Record retention—incentives, 2 hours; Self-testing: Record retention—self-correction, 8 hours; and

Self-testing: Record retention—rules concerning requests for information (disclosure for optional self-test), 3.5 hours.

**Estimated annual burden hours:** Notifications, 68,976 hours; Furnishing of credit information, 28,740 hours; Record retention (Applications, actions, and prescreened solicitations), 7,664 hours; Information for monitoring purposes, 2,874 hours; Rules on providing appraisal reports (Providing appraisal report), 34,488 hours; Self-testing: Record retention—incentives, 184 hours; Self-testing: Record retention—self-correction, 184 hours; and Self-testing: Record retention—rules concerning requests for information (disclosure for optional self-test), 3,864 hours.

**General description of report:** ECOA was enacted in 1974 and is implemented by the CFPB's Regulation B for institutions the Board supervises.<sup>1</sup> The ECOA prohibits discrimination in any aspect of a credit transaction because of race, color, religion, national origin, sex, marital status, age (provided the applicant has the capacity to contract), or other specified bases (receipt of public assistance, or the fact that the applicant has in good faith exercised any right under the Consumer Credit Protection Act (15 U.S.C. 1600 *et seq.*)). To aid in implementation of this prohibition, the statute and regulation subject creditors to various mandatory disclosure requirements, notification provisions informing applicants of action taken on the credit application, provision of appraisal reports in connection with mortgages, credit history reporting, monitoring rules, and recordkeeping requirements. These requirements are triggered by specific events and disclosures must be provided within the time periods established by the statute and regulation.

**Legal authorization and confidentiality:** The Board's Legal Division has determined that the CFPB is authorized to issue its Regulation B pursuant to its authority to prescribe regulations to carry out the purposes of ECOA (15 U.S.C. 1691b). The obligation to comply with the recordkeeping and disclosure requirements of CFPB's Regulation B is mandatory. Because the recordkeeping and disclosure requirements of the CFPB's Regulation B require creditors to retain their own records and to make certain disclosures to customers, the Freedom of Information Act (FOIA) would only be implicated if the Board's examiners

retained a copy of this information as part of an examination a bank. Records obtained as a part of an examination or supervision of a bank are exempt from disclosure under FOIA exemption (b)(8), for examination material (5 U.S.C. 552(b)(8)). In addition, the records may also be exempt under (b)(4) or (b)(6). Records would be exempt under (b)(4) if the records contained "trade secrets and commercial or financial information obtained from a person and privileged or confidential" and the disclosure of the information would cause substantial harm to the competitive position of the respondents (5 U.S.C. 552(b)(4)). Records would be exempt under (b)(6) if the records contained personal information, the disclosure of which would "constitute a clearly unwarranted invasion of personal privacy" (5 U.S.C. 552(b)(6)).

Board of Governors of the Federal Reserve System, April 9, 2018.

*Secretary of the Board.*
