

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–83031; File No. SR–CboeBZX–2018–027]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use on the Exchange's Equity Options Platform

April 10, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 5, 2018, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b–4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-Members of the Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange's website at www.markets.cboe.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the

places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule for its equity options platform (“BZX Options”) to modify pricing for certain orders routed away from the Exchange and executed at various away options exchanges.⁶ Particularly, the Exchange proposes to amend routing fees for Directed ISO orders (as defined below), routed Non-Customer⁷ orders in Penny Pilot Securities and routed Customer orders to ARCA, C2, ISE, ISE Gemini, MIAX Pearl or NOM in Penny and Non-Penny Pilot Securities. The Exchange currently charges the following rates for these orders: (i) Directed Intermarket Sweep Orders (“ISOs”) (that are not otherwise specified in the Fee Schedule), which yield fee code D4, are charged \$0.75 per contract, (ii) Non-Customer orders in Penny Pilot Securities, which yield fee code RN, are charged \$0.85 per contract; (iii) Customer orders to ARCA, C2, ISE, ISE Gemini, MIAX Pearl or NOM in Penny Pilot Securities, which yield fee code RQ, are charged \$0.70 per contract; and (iv) Customer orders to ARCA, C2, ISE, ISE Gemini, MIAX Pearl or NOM in Non-Penny Pilot Securities, which yield fee code RR, are charged \$1.10 per contract. The Exchange is proposing to amend those rates as follows: (i) The fee for Directed ISO Orders would be increased to \$0.85 per contract; (ii) the fee for Non-Customer Orders in Penny Pilot Securities would be increased to \$0.90 per contract; (iii) the fee for Customer orders to ARCA, C2, ISE, ISE Gemini, MIAX Pearl or NOM in Penny Pilot Securities would be increased to \$0.85 and (iv) the fee for Customer orders to ARCA, C2, ISE, ISE Gemini, MIAX Pearl or NOM in Non-Penny Pilot Securities would be increased to \$1.25. The Exchange notes that the proposed amounts are in line with amounts

assessed for similar transaction on other exchanges.⁸

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁹ in general, and furthers the objectives of Section 6(b)(4),¹⁰ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities.

Particularly, the Exchange believes its proposed fees are reasonable taking into account routing costs and also notes that the proposed changes are in line with amounts assessed by other exchanges.¹¹ The Exchange believes the proposed changes to its fees are equitable and not unfairly discriminatory because the proposed changes apply equally to all Members. The Exchange notes that routing through the Exchange is voluntary and also notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues or providers of routing services if they deem fee levels to be excessive.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes the proposed routing fees will not impose an undue burden on competition because the Exchange will uniformly assess the affected routing fees on all Members. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value or if they view the proposed fee as excessive. Further, excessive fees for participation would serve to impair an exchange's ability to compete for order flow and members rather than burdening competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

⁷ “Non-Customer” applies to any transaction that is not a Customer Order. “Customer” applies to any transaction identified by a Member for clearing in the Customer range at the OCC, excluding any transaction for a Broker Dealer or a “Professional” as defined in Exchange Rule 16.1.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Extension:

Regulation BTR, SEC File No. 270-521, OMB Control No. 3235-0579.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation Blackout Trade Restriction ("Regulation BTR") (17 CFR 245.100-245.104) clarifies the scope and application of Section 306(a) of the Sarbanes-Oxley Act of 2002 ("Act") (15 U.S.C. 7244(a)). Section 306(a)(6) [15 U.S.C. 7244(a)(6)] of the Act requires an issuer to provide timely notice to its directors and executive officers and to the Commission of the imposition of a blackout period that would trigger the statutory trading prohibition of Section 306(a)(1) [15 U.S.C. 7244(a)(1)]. Section

306(a) of the Act prohibits any director or executive officer of an issuer of any equity security, directly or indirectly, from purchasing, selling or otherwise acquiring or transferring any equity security of that issuer during any blackout period with respect to such equity security, if the director or executive officer acquired the equity security in connection with his or her service or employment. Approximately 1,230 issuers file Regulation BTR notices approximately 5 times a year for a total of 6,150 responses. We estimate that it takes approximately 2 hours to prepare the blackout notice for a total annual burden of 2,460 hours. The issuer prepares 75% of the 2,460 annual burden hours for a total reporting burden of (1,230 x 2 x 0.75) 1,845 hours. In addition, we estimate that an issuer distributes a notice to five directors and executive officers at an estimated 5 minutes per notice (1,230 blackout period x 5 notices x 5 minutes) for a total reporting burden of 512 hours. The combined annual reporting burden is (1,845 hours + 512 hours) 2,357 hours.

Written comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: April 9, 2018.

Assistant Secretary.
