BILLING CODE 4910–13–P

DEPARTMENT OF DEFENSE**Department of the Navy****32 CFR Part 706****Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972**

AGENCY: Department of the Navy, DoD.

ACTION: Final rule.

SUMMARY: The Department of the Navy (DoN) is amending its certifications and exemptions under the International

Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (DAJAG) (Admiralty and Maritime Law) has determined that USS WICHITA (LCS 13) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective April 16, 2018 and is applicable beginning April 3, 2018.

FOR FURTHER INFORMATION CONTACT:

Lieutenant Commander Kyle Fralick, JAGC, U.S. Navy, Admiralty Attorney, (Admiralty and Maritime Law), Office of the Judge Advocate General, Department of the Navy, 1322 Patterson Ave. SE, Suite 3000, Washington Navy Yard, DC 20374–5066, telephone number: 202–685–5040.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the DoN amends 32 CFR part 706.

This amendment provides notice that the DAJAG (Admiralty and Maritime Law), under authority delegated by the Secretary of the Navy, has certified that USS WICHITA (LCS 13) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with the following specific provisions of 72 COLREGS without interfering with its special function as a naval ship: Annex I paragraph 2(a)(i), pertaining to the height of the forward masthead light above the hull and Annex I; and paragraph 3(a), pertaining to the location of the forward masthead light in the forward quarter of the ship, and the horizontal distance between the forward and after masthead light. The DAJAG (Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.

RIN 0703-AA97

Garnishment of Pay of Naval Military and Civilian Personnel for Collection of Child Support and Alimony

AGENCY: Department of the Navy, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes the DoD's regulation concerning garnishment of pay of Naval military and civilian personnel and collection of child support and alimony. It has been determined that this rule is duplicative of 5 CFR part 581, "Processing Garnishment Orders for Child Support and/or Alimony." Therefore, this rule can be removed from the CFR.

DATES: This rule is effective on April 16, 2018.

FOR FURTHER INFORMATION CONTACT: CDR Amanda Myers, 703-697-1311.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing a duplicative CFR part.

Both 5 CFR part 581 and 32 CFR part 734 derive their authority from 42 U.S.C. 659, and 5 CFR part 581

encompasses entirely the language found in 32 CFR part 734. Furthermore, 5 CFR part 581 is a more thorough regulation; for example, 5 CFR part 581 contains a definitions section and a provision identifying which moneys are subject to garnishment.

Garnishment operations and their underlying processes will remain unaffected by this regulatory action. In addition, no requirement for paperwork or procedures are set forth in 32 CFR part 734 that are not covered in 5 CFR part 581.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review," therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.
