#### Extension:

Regulation A (Form 1-A), SEC File No. 270-110, OMB Control No. 3235-0286

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation A (17 CFR 230.251 through 230.263) provides an exemption from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) for certain limited offerings of securities by issuers who do not otherwise file reports with the Commission. Form 1-A is an offering statement filed under Regulation A. The paperwork burden from Regulation A is imposed through the forms that are subject to the disclosure requirements in Regulation A and is reflected in the analysis of the form. To avoid a Paperwork Reduction Act inventory reflecting duplicative burdens, for administrative convenience we estimate the burden imposed by Regulation A to be a total of one hour. We estimate that approximately 112 issuers file Forms 1-A. We estimate that Form 1-A takes approximately 751 hours to prepare, including the one hour for Regulation A for total of 751 total hours per response. We estimate that 75% of the 751 hours per response (563.25 hours) is prepared by the company for a total annual burden of 63,084 hours (563.25 hours per response × 112 responses).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information

technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comments to Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE, Washington, DC 20549 or send an email to: *PRA\_Mailbox@sec.gov*.

Dated: April 9, 2018.

#### Extension:

Rule 15g-3, SEC File No. 270-346, OMB Control No. 3235-0392

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15g-3—Broker or dealer disclosure of quotations and other information relating to the penny stock market (17 CFR 240.15g-3) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15g-3 requires that brokers and dealers disclose to customers current quotation prices or similar market information in connection with transactions in penny stocks. The purpose of the rule is to increase the level of disclosure to investors concerning penny stocks generally and specific penny stock transactions.

The Commission estimates that approximately 195 broker-dealers will spend an average of 87 hours annually to comply with this rule. Thus, the total compliance burden is approximately 16,965 burden-hours per year.
