##### **Background**

On October 10, 2017, Commerce published the *Preliminary Results* of this administrative review of OCTG from Korea.<sup>1</sup> We invited interested parties to comment on the *Preliminary Results*. Between November 30 and December 8, 2017, Commerce received timely filed briefs and rebuttal briefs from various interested parties. On January 19, 2018, Maverick Tube Corporation and TenarisBayCity, and United States Steel Corporation filed a duty reimbursement allegation with respect to NEXTEEL.<sup>2</sup>

Commerce exercised its discretion to toll all deadlines affected by the closure of the Federal Government from January 20 through 22, 2018.<sup>3</sup> If the new deadline falls on a non-business day, in accordance with Commerce's practice, the deadline will become the next business day. As a result, the revised deadline for the final results of this review was February 12, 2018. On January 31, 2018, Commerce postponed the final results of this review until April 11, 2018.
