DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; Matching Program

AGENCY: Department of Veterans Affairs (VA).

ACTION: Notice of a new matching program.

SUMMARY: Pursuant to 5 U.S.C. 552(a), the Privacy Act of 1974, as amended, and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs, notice is hereby given that the Department of Veterans Affairs (VA) intends to conduct a computer matching program with the Social Security Administration (SSA).

Data from the proposed match will be used to verify the earned income of non-service-connected veterans, and those veterans who are zero percent service-connected (noncompensable), whose eligibility for VA medical care is based on their inability to defray the cost of medical care. These veterans supply household income information that includes their spouses and dependents at the time of application for VA health care benefits.

DATES: Comments on this matching program must be received no later than May 29, 2018. If no public comment is received during the period allowed for comment or unless otherwise published in the Federal Register by VA, the new agreement will become effective a minimum of 30 days after date of publication in the Federal Register or April 9, 2018, whichever is later. If VA receives public comments, VA shall review the comments to determine whether any changes to the notice are necessary. This matching program will be valid for 18 months from the effective date of this notice.

ADDRESSES: Written comments may be submitted through www.Regulations.gov; by mail or hand-delivery to Director, Regulation Policy and Management (00REG), Department of Veterans Affairs, 810 Vermont Ave. NW, Room 1064, Washington, DC 20420; or by fax to (202) 273–9026 (not a toll-free number). Comments should indicate that they are submitted in response to SSA–VA/VHA CMA #1052. Copies of comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1063B, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday except holidays. Please call (202) 461–4902 for an appointment. (This is not a toll free number.) In addition, comments may be viewed online at www.Regulations.gov.

FOR FURTHER INFORMATION CONTACT: LeRoy F. Garcia, Acting Director, Health Management, Room 1063B, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday except holidays. Please call (202) 461–4902 for an appointment. (This is not a toll free number.)

SUPPLEMENTARY INFORMATION: The Department of Veterans Affairs has statutory authorization under 38 U.S.C. 5317, 38 U.S.C. 5106, 26 U.S.C. 6103(l)(7)(D)(viii) and 5 U.S.C. 552(a) to establish matching agreements and request and use income information from other agencies for purposes of verification of income for determining eligibility for benefits. 38 U.S.C. 1710(a)(2)(c), 1710(a)(3), and 1710(b) identify those veterans whose basic eligibility for medical care benefits is dependent upon their financial status. Eligibility for nonservice-connected and zero percent noncompensable service-connected veterans is determined based on the veteran’s inability to defray the expenses for necessary care as defined in 38 U.S.C. 1722. This determination can affect their responsibility to participate in the cost of their care through copayments and their assignment to an enrollment priority group. The goal of this match is to obtain SSA earned income information data needed for the income verification process. The VA records involved in the match are “Enrollment and Eligibility Records—VA” (147VA16). The SSA records are from the Earnings Recording and Self-Employment Income System, SSA/OEEAS 90–60–0059 and Master Files of Social Security Number Holders and SSA Applications, SSA/OEEAS, 60–0058, (referred to as “the Numident”). A copy of this notice has been sent to both Houses of Congress and OMB.

Participating Agencies: The Social Security Administration is the source agency, and the Department of Veterans Affairs is the recipient agency.

Authority for Conducting the Matching Program: Public Law 101–508, Omnibus Budget Reconciliation Act, as amended, and Public Law 104–262,
Veterans Health Care Amendments Act, grant VA the authority to verify income data furnished by certain veteran applicants. This agreement is executed under the Privacy Act of 1974, 5 United States Code (U.S.C.) 552a, as amended by the Computer Matching and Privacy Protection Act of 1988, and the regulations and guidance promulgated thereunder. Under 38 U.S.C. 1710, VA/VHA has a statutory obligation to collect income information from certain applicants for medical care and to use that income data to determine the appropriate eligibility category for the applicant’s medical care. 26 U.S.C. 6103(l)(7) authorizes the disclosure of tax return information with respect to net earnings from self-employment and wages, as defined by relevant sections of the Internal Revenue Code (IRC), to Federal, state, and local agencies administering certain benefit programs under Title 38 of the U.S.C.
