

during the fiscal year. A copy of the report will be provided to the Department's Committee Management Officer.

Nominations. Nominations, including self-nominations, of individuals who have the specified expertise and knowledge will be considered for appointment as members of the Commission. A nomination should include, at a minimum, the following for each nominee: (1) A letter of nomination that clearly states the name and affiliation of the nominee, the basis for the nomination, and a statement from the nominee that indicates that the individual is willing to serve as a member of the Commission, if selected; (2) a one-page biography that describes the nominee's qualifications and, if applicable, highlights relevant experience on other federal advisory committees; (3) the nominator's name, address, and daytime telephone number; and the address, telephone number, and email address of the individual being nominated; and (4) a current copy of the nominee's curriculum vitae or resume, which should be limited to no more than 30 pages. Incomplete nomination packages will not be reviewed.

Every effort will be made to ensure that the composition of the Commission includes individuals from various geographic locations, including rural and underserved areas; racial and ethnic minorities; genders, and persons living with disabilities. Individuals other than officers or employees of the United States government being considered for appointment as members of the Commission will be required to complete and submit a report of their financial holdings. An ethics review must be conducted to ensure that individuals appointed as members of the Commission are not involved in any activity that may pose a potential conflict of interest for the official duties that are to be performed. This is a federal ethics requirement that must be satisfied upon entering the position and annually throughout the established term of appointment on the Commission.

Authority: The National Clinical Care Commission Act (Pub. L. 115–80) requires establishment of the National Clinical Care Commission. The Commission is governed by provisions of the Federal Advisory Committee Act, Public Law 92–463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

Dated: April 19, 2018.

Don Wright,

Deputy Assistant Secretary for Health (Disease Prevention and Health Promotion).

FOR FURTHER INFORMATION CONTACT:

Jomana Musmar, Acting Designated Federal Officer, Presidential Advisory Council on Combating Antibiotic-Resistant Bacteria, Office of the Assistant Secretary for Health, U.S. Department of Health and Human Services, Room 715H, Hubert H. Humphrey Building, 200 Independence Avenue, SW, Washington, DC 20201. Phone: (202) 690–5566; email: CARB@hhs.gov.

SUPPLEMENTARY INFORMATION: Under Executive Order 13676, dated September 18, 2014, authority was given to the Secretary of HHS to establish the Advisory Council, in consultation with the Secretaries of Defense and Agriculture. Activities of the Advisory Council are governed by the provisions of Public Law 92–463, as amended (5 U.S.C. App.), which sets forth standards for the formation and use of federal advisory committees.

The Advisory Council will provide advice, information, and recommendations to the Secretary of HHS regarding programs and policies intended to support and evaluate the implementation of Executive Order 13676, including the National Strategy for Combating Antibiotic-Resistant Bacteria and the National Action Plan for Combating Antibiotic-Resistant Bacteria. The Advisory Council shall function solely for advisory purposes.

In carrying out its mission, the Advisory Council will provide advice, information, and recommendations to the Secretary regarding programs and policies intended to preserve the effectiveness of antibiotics by optimizing their use; advance research to develop improved methods for combating antibiotic resistance and conducting antibiotic stewardship; strengthen surveillance of antibiotic-resistant bacterial infections; prevent the transmission of antibiotic-resistant bacterial infections; advance the development of rapid point-of-care and agricultural diagnostics; further research on new treatments for bacterial infections; develop alternatives to antibiotics for agricultural purposes; maximize the dissemination of up-to-date information on the appropriate and proper use of antibiotics to the general public and human and animal healthcare providers; and improve international coordination of efforts to combat antibiotic resistance.

The May 16, 2018, public meeting will be focused on the topic of antibiotic stewardship for animal and plant health. The meeting agenda will be posted on the Advisory Council website at <http://www.hhs.gov/ash/carb/> when it

has been finalized. All agenda items are tentative and subject to change.

Public attendance at the meeting is limited to the available space. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Advisory Council at the address/telephone number listed above at least one week prior to the meeting. For those unable to attend in person, a live webcast will be available. More information on registration and accessing the webcast can be found at <http://www.hhs.gov/ash/carb/>.

Members of the public will have the opportunity to provide comments prior to the Advisory Council meeting by emailing CARB@hhs.gov. Public comments should be sent in by midnight May 9, 2018, and should be limited to no more than one page. All public comments received prior to May 9, 2018, will be provided to Advisory Council members; comments are limited to two minutes per speaker.

Dated: April 19, 2018.

For this fifth meeting, the Working Group will provide an overview of the report to the HHS Secretary and Congress and discuss what should be included in the report from the work of the six Subcommittee Working Groups that were established on December 12, 2017. These subcommittees were established to assist the Working Group with the development of the report to Congress and the HHS Secretary as required by

the *21st Century Cures Act*. The subcommittees are:

1. Disease Vectors, Surveillance and Prevention (includes epidemiology of tick-borne diseases);
2. Pathogenesis, Transmission, and Treatment;
3. Testing and Diagnostics (including laboratory-based diagnoses and clinical-diagnoses);
4. Access to Care Services and Support to Patients;
5. Vaccine and Therapeutics; and
6. Other Tick-Borne Diseases and Co-infections.

DATES: May 15, 2018, from 9:00 a.m. to 7:45 p.m. Eastern Time and May 16, 2018, from 9:00 a.m. to 5:30 p.m. Eastern Time.

ADDRESSES: Hilton Crystal City Conference Center at Washington Reagan National Airport, 2399 Jefferson Davis Highway, Arlington, VA 22202. Members of the public may also attend the meeting via webcast. Instructions for attending the meeting via webcast will be posted one week prior to the meeting at: <https://www.hhs.gov/ash/advisory-committees/tickbornedisease/index.html>.

FOR FURTHER INFORMATION CONTACT:

James Berger, Office of HIV/AIDS and Infectious Disease Policy, Office of the Assistant Secretary for Health, Department of Health and Human Services; via email at tickbornedisease@hhs.gov or by phone at 202-795-7697.

SUPPLEMENTARY INFORMATION:

In-person attendance at the meeting is limited to space available; therefore, preregistration for public members is advisable and can be accomplished by registering at <http://events.r20.constantcontact.com/register/event?llr=zz7zptzab&oeidk=a07edrodfo088eae0cf> by Thursday, May 10, 2018. On the day of the meeting, seating will be provided first to persons who have preregistered. People who have not preregistered will be accommodated on a first come, first served basis if additional seats are still available 10 minutes before the meeting start. Non-U.S. citizens who plan to attend in person are required to provide additional information and must notify the Working Group support staff via email at tickbornedisease@hhs.gov before April 30, 2018.

The Working Group invites public comment on issues related to the Working Group's charge. It may be provided in-person at the meeting or in writing. In-person comments will occur from 9:05 a.m. to 10:05 a.m. on May 16, 2018. Persons who wish to provide public comment in person should review directions at <https://www.hhs.gov/ash/advisory-committees/>

[tickbornedisease/meetings/index.html](https://www.hhs.gov/ash/advisory-committees/tickbornedisease/meetings/index.html) before submitting a request to do so via email at tickbornedisease@hhs.gov. Requests to provide in-person comment are due on or before May 10, 2018. In-person comments will be limited to three minutes each to accommodate as many speakers as possible. If more requests are received than can be accommodated, speakers will be randomly selected. The nature of the comments will not be considered in making this selection. Public comments may also be provided in writing. Individuals who would like to provide written comment should review directions at <https://www.hhs.gov/ash/advisory-committees/tickbornedisease/meetings/index.html> before sending their comments to tickbornedisease@hhs.gov on or before May 10, 2018.

Background and Authority: The Tick-Borne Disease Working Group was established on August 10, 2017, in accordance with section 2062 of the *21st Century Cures Act*, and the Federal Advisory Committee Act, 5 U.S.C. App., as amended, to provide expertise and review all HHS efforts related to tick-borne diseases to help ensure interagency coordination and minimize overlap, examine research priorities, and identify and address unmet needs. In addition, the Working Group will report to the Secretary and Congress on their findings and any recommendations for the federal response to tick-borne disease prevention, treatment and research, and addressing gaps in those areas.

Dated: April 19, 2018.

James Berger,

*Alternate Designated Federal Officer, Office of HIV/AIDS and Infectious Disease Policy,
Tick-Borne Disease Working Group.*
