DIA internal guidance concerning the implementation of the FOIA within DIA will continue to be published in DIA Instruction 5400.002 (available at <http://www.dia.mil/FOIA/FOIA-Electronic-Reading-Room/FileId/39650/>).

This rule is one of 14 separate DoD FOIA rules. With the finalization of the DoD-level FOIA rule at 32 CFR part 286, the Department is eliminating the need for this separate FOIA rule and reducing costs to the public as explained in the preamble of the DoD-level FOIA rule published at 83 FR 5196–5197.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review,” therefore, E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs” does not apply.

#### National Imagery Mapping Agency (NIMA) Freedom of Information Act Program

**AGENCY:** National Imagery Mapping Agency, DoD.

**ACTION:** Final rule.

**SUMMARY:** This final rule removes DoD's regulation concerning the National Geospatial-Intelligence Agency (NGA), formerly the National Imagery Mapping Agency (NIMA), Freedom of Information Act program. On February 6, 2018, the DoD published a revised FOIA program rule as a result of the FOIA Improvement Act of 2016. When the DoD FOIA program rule was revised, it included DoD component information

and removed the requirement for component supplementary rules. The DoD now has one DoD-level rule for the FOIA program at 32 CFR part 286 that contains all the codified information required for the Department. Therefore, this part can be removed from the CFR.

**DATES:** This rule is effective on April 26, 2018.

**FOR FURTHER INFORMATION CONTACT:** Robert Milford at 571–557–7729.

**SUPPLEMENTARY INFORMATION:** It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing DoD internal policies and procedures that are publically available on the Department's website.

NGA internal guidance concerning the implementation of the FOIA within NGA will continue to be published in National Geospatial-Intelligence Agency Instruction Number 5750.1 (available at [https://www.nga.mil/About/Documents/NGAI\\_5750\\_1.pdf](https://www.nga.mil/About/Documents/NGAI_5750_1.pdf)).
