**Defense Investigative Service (DIS) Freedom of Information Act Program**

AGENCY: Defense Investigative Service, DoD.

ACTION: Final rule.

**SUMMARY:** This final rule removes DoD's regulation concerning the Defense Security Service (DSS), formerly the Defense Investigative Service (DIS), Freedom of Information Act program. On February 6, 2018, the DoD published a revised FOIA program rule as a result of the FOIA Improvement Act of 2016. When the DoD FOIA program rule was revised, it included DoD component information and removed the requirement for component supplementary rules. The DoD now has one DoD-level rule for the FOIA program at 32 CFR part 286 that contains all the codified information required for the Department. Therefore, this part can be removed from the CFR.

**DATES:** This rule is effective on April 26, 2018.

**FOR FURTHER INFORMATION CONTACT:** Stephanie Courtney at 571-305-6740.

**SUPPLEMENTARY INFORMATION:** It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing DoD internal policies and procedures that are publically available on the Department's website.

DSS internal guidance concerning the implementation of the FOIA within DSS will be published in new guidance in the near future (will be available at <http://www.dss.mil/foia/index.html>).

This rule is one of 14 separate DoD FOIA rules. With the finalization of the

DoD-level FOIA rule at 32 CFR part 286, the Department is eliminating the need for this separate FOIA rule and reducing costs to the public as explained in the preamble of the DoD-level FOIA rule published at 83 FR 5196-5197.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review," therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.
