

provides instructions for Auction 83 applicants to review, verify and update their previously filed short-form applications during the upcoming Remedial Window, as required. In addition, the Public Notice addresses three filings submitted by parties in response to the Auction 83 Comment Public Notice.

124. Auction 83 is a closed auction, therefore the specific competitive bidding procedures and minimum opening bid amounts described in the Auction 83 Comment Public Notice will affect only the 57 individuals or entities listed in Attachment A to the Auction 83 Procedures Public Notice who are eligible to complete the remaining steps to become qualified to bid in this auction. The latest available U.S. Census Bureau data show that there were 2,849 radio station firms that operated in 2012. Of that number 2,806 firms operated with annual receipts below the SBA's small business size standard of firms having \$38.5 million or less in annual receipts. The 57 eligible individuals or entities for Auction 83 include firms of all sizes and constitute approximately two percent of all firms that operated and of firms meeting the SBA small business size standard. Consequently, because the proposed procedures and minimum opening bid amounts would affect a maximum of 57 radio station firms, or approximately two percent of the total, and not all 57 are small entities, the Bureaus find that a substantial number of small entities would not be affected by these competitive bidding procedures or minimum opening bid amounts contained in the Auction 83 Procedures Public Notice. Therefore, the Bureaus certify that these competitive bidding procedures and minimum opening bid amounts announced in the Auction 83 Procedures Public Notice will not have a significant economic impact on a substantial number of small entities.

125. The Bureaus will send a copy of the Auctions 83 Procedures Public Notice, including this Final Regulatory Flexibility Certification, in a Report to Congress pursuant to the Congressional Review Act, 5 U.S.C. 801(a)(1)(A). In addition, the Auctions 83 Procedures Public Notice and this Final Regulatory Flexibility Certification will be sent to the Chief Counsel for Advocacy of the SBA pursuant to 5 U.S.C. 605(b).
