SUPPLEMENTARY INFORMATION:

Background

Commerce published the antidumping duty *Order* on freshwater crawfish tail meat from China in the **Federal Register** on September 15, 1997.¹ Pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), Commerce received a timely and properly filed request for an NSR from Yinxiangchen during the six months following the anniversary month of the antidumping duty *Order*.² In its request, Yinxiangchen certified that it is both a producer and exporter of the subject merchandise upon which the *Order* is based.³

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b)(2)(i), Yinxiangchen certified that it did not export subject merchandise to the United States during the period of investigation (POI).⁴ In addition, pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Yinxiangchen certified that, since the initiation of the investigation, it had never been affiliated with any exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the POI.⁵ As required by 19 CFR 351.214(b)(2)(iii)(B), Yinxiangchen also certified that its export activities were

not controlled by the Government of China.⁶

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Yinxiangchen submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.⁷

Period of Review

Pursuant to 19 CFR 351.214(c), an exporter or producer may request a NSR within one year of the date on which its subject merchandise first entered. Further, 19 CFR 351.214(d)(1) states that Commerce will initiate an NSR in the calendar month immediately following the anniversary month or the semiannual anniversary month if the request for review is made during the six-month period ending with the end of the anniversary month or the semi-annual anniversary month, whichever is applicable. In accordance with 19 CFR 351.214(g)(1)(i)(B), the period of review (POR) for an NSR initiated in the month immediately following the semi-annual anniversary month will be the six-month period immediately preceding the semi-annual anniversary month. Yinxiangchen requested an NSR within one year from the date its merchandise first entered. The request was filed in March 2018, the semi-annual anniversary month of the *Order*. Therefore, the POR for this NSR is September 1, 2017, through February 28, 2018.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b), we find that the request from Yinxiangchen meets the threshold requirements for the initiation of an NSR for shipments of freshwater crawfish tail meat from China produced and exported during the POR by Yinxiangchen.⁸
