NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 18-037]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections.

DATES: All comments should be submitted within 30 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Lori Parker, National Aeronautics and Space Administration, 300 E Street SW, Washington, DC 20546-0001.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Lori Parker, NASA Clearance Officer, NASA Headquarters, 300 E Street SW, JF0000, Washington, DC 20546, (202) 358-1351.

SUPPLEMENTARY INFORMATION:

I. Abstract

Federal agencies are required by statute not to engage in discrimination on the bases of race, color, religion, sex, national origin, age, disability, genetic information, or retaliation. A federal employee, former employee, or job applicant who believes s/he was discriminated against has a right to file a complaint with the agency's office

responsible for its Equal Employment Opportunity (EEO) programs. Federal agencies must offer pre-complaint counseling or EEO alternative dispute resolution (EEO ADR) to individuals who allege that they were discriminated against by the agency. If pre-complaint counseling or EEO ADR does not resolve the dispute(s), the individual can file a formal discrimination complaint with the agency's EEO office.

II. Methods of Collection

Title 29 of the Code of Federal Regulations (CFR) Part 1614 Section 104 requires agencies to establish procedures for processing individual and class complaints of discrimination that include the provisions contained in 29 CFR 1614.105 through 1614.110 and in § 1614.204, which are consistent with all other applicable Federal EEO regulations and complaint processing requirements contained in the Equal Employment Opportunity Commission (EEOC) Management Directives (MD).

When an individual decides to pursue the formal discrimination complaint process, EEOC MD 110 requires that the formal complaint must be:

- In writing;
- Specific with regard to the claim(s) that the individual raised in pre-complaint counseling and that the person wishes to pursue;
- Must be signed by the individual and/or his or her representative; and
- Must be filed within fifteen (15) calendar days from the date s/he receives the Notice of Right to File a Discrimination Complaint.

Consequently, NASA established NF-1355P form to ensure the individual who wishes to utilize the EEO process complies with the requirements listed above.

Description

The National Endowment for the Arts' (NEA) mission is "to strengthen the creative capacity of our communities by providing all Americans with diverse opportunities for arts participation." With the advice of the National Council on the Arts and advisory panels, the Chairman establishes eligibility requirements and criteria for the review of applications for funding. Section 959(c) of the NEA's enabling legislation, as amended, directs the Chairman to utilize advisory panels to review applications and to make recommendations to the National Council on the Arts, which in turn makes recommendations to the Chairman.

The legislation requires the Chairman "(1) to ensure that all panels are composed, to the extent practicable, of

individuals reflecting a wide geographic, ethnic, and minority representation as well as to (2) ensure that all panels include representation of lay individuals who are knowledgeable about the arts . . ." These panels are considered to be committees under the Federal Advisory Committee Act (FACA), which also requires that committees be balanced geographically and ethnically. In addition, the membership of each panel must change substantially from year to year and each individual is ineligible to serve on a panel for more than three consecutive years. To assist with efforts to meet these legislated mandates regarding representation on advisory panels, the NEA has established a database of names, addresses, areas of expertise and other basic information on individuals who are qualified to serve as panelists for the NEA.

The Panelist Profile Data Collection, for which clearance is requested, is used to gather basic information from qualified individuals recommended by the arts community; arts organizations; Members of Congress; the general public; local, state and regional arts organizations; NEA staff, and others.

Dated: April 26, 2018.

Jillian LeHew Miller,

Director, Office of Guidelines and Panel Operations, Administrative Services, National Endowment for the Arts.
