**FOR FURTHER INFORMATION CONTACT:** Manny Cabeza, Counsel, 202–898–3767, *mcabeza@FDIC.gov*, MB–3007, Federal

Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.  
**SUPPLEMENTARY INFORMATION:** Proposal to renew the following currently approved collection of information:  
*Title:* Notification of Change of Insured Status.  
*OMB Number:* 3064–0124.  
*Form Number:* None.  
*Affected Public:* Insured depository institutions.  
*Burden Estimate:*

**SUMMARY OF ANNUAL BURDEN**

	Type of burden	Obligation to respond	Estimated number of respondents	Estimated time per response (hours)	Frequency of response	Average total annual estimated burden (hours)
Certification .....	Reporting .....	Mandatory .....	150	.25	On Occasion .....	37.5
Notification .....	Disclosure .....	Mandatory .....	2	1	On Occasion .....	3
<b>Total Estimated Annual Burden .....</b>						<b>39.5</b>

*General Description of Collection:* This information collection consists of two parts: (1) A certification that insured depository institutions provide the FDIC when all deposit liabilities from one insured depository institution are assumed from another insured depository institution, with the latter institution responsible for providing the certification; and (2) a notification that an insured depository institution provides to its depositors when it seeks to voluntarily terminate its insured status. The certification is necessary to implement the provisions of section 8(q) of the Federal Deposit Insurance Act, 12 U.S.C. 1818(q), regarding termination of the insured status of the transferring institution and termination of the separate deposit insurance coverage provided on deposit accounts assumed by the assuming institution. The depositor notification is required by section 8(a)(6) of the Federal Deposit Insurance Act, 12 U.S.C. 1818(a)(6). This provision ensures that the institution’s depositors receive appropriate information regarding the institution’s intent to terminate its insured status and that, prior to the termination of the institution’s insured status, depositors receive appropriate information concerning federal deposit insurance coverage of their accounts once the institution’s insured status is terminated.

There is no change in the methodology or substance of this information collection. The number of certifications submitted under this information collection is closely related to the number of insured depository institutions that are acquired by another depository institution through mergers

or as a result of the closing of the institution by its chartering authority. The number of depositor notifications is driven by the number of institutions that elect to voluntarily terminate its insured status without having its deposits assumed by another insured depository institution. The change in burden is due to economic fluctuation reflected in a lower number of certifications following mergers or closures and a reduction in the number of notifications due to voluntary terminations of insured status.

*Request for Comment:* Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC’s functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, on April 27, 2018.
