

The Final EIS/plan responds to, and incorporates where appropriate, agency and public comments received on the Draft EIS/plan, which was available for public review from July 21, 2017 through October 10, 2017. The NPS held four public meetings between August 11 and August 14, 2017 to gather input on the Draft EIS/plan. During the public comment period, the NPS received 2,311 pieces of correspondence. In response to public comments, the NPS made several revisions to the text of the Draft EIS/plan. While most revisions were editorial in nature, the NPS did make some substantive changes regarding the timing of mountain goat removal and translocation operations under alternatives C and D. NPS and cooperating agency responses to public comments are provided as an appendix in the Final EIS/plan available at <http://parkplanning.nps.gov/olyngoat>.
