The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The requirements are being submitted for clearance by OMB as required by the PRA.

Title: 49 U.S.C. Section 5320 Paul S. Sarbanes Transit in Parks.

OMB Control Number: 2132–0574.

Type of Request: Extension of a currently approved information collection.

Abstract: Section 3021 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act—A Legacy for Users (SAFETEA—LU), as amended, established the Paul S. Sarbanes Transit in Parks Program (Transit in Parks Program—49 U.S.C. 5320). The program was administered by FTA in partnership with the Department of the Interior (DOI) and the U.S. Department of Agriculture’s Forest Service. The program provided grants to Federal land management agencies that manage an eligible area, including but not limited to the National Park Service, the Fish and Wildlife Service, the Bureau of Land Management, the Forest Service, the Bureau of Reclamation; and State, tribal and local governments with jurisdiction over land in the vicinity of an eligible area, acting with the consent of a Federal land management agency, alone or in partnership with a Federal land management agency or other governmental or non-governmental participant. The purpose of the program was to provide for the planning and capital costs of alternative transportation systems that will enhance the protection of national parks and Federal lands; increase the enjoyment of visitors’ experience by conserving natural, historical, and cultural resources; reduce congestion and pollution; improve visitor mobility and accessibility; enhance visitor experience; and ensure access to all, including persons with disabilities. The Paul S. Sarbanes Transit in Parks program was repealed under the Moving Ahead for Progress in the 21st Century Act (MAP–21). However, funds previously authorized for programs repealed by MAP–21 remain available for their originally authorized purposes until the period of availability expires, the funds are fully expended, the funds are rescinded by Congress, or the funds are otherwise reallocated.

Annual Estimated Total Burden Hours: 50 hours.

William Hyre,

Deputy Associate Administrator for Administration.

The OCC is requesting that OMB extend its approval of the following collection.

Title: Registration of Mortgage Loan Originators.

OMB Number: 1557-0243.

Description: The Secure and Fair Enforcement for Mortgage Licensing Act (the S.A.F.E. Act)² requires an employee of a bank, savings association, or credit union and their subsidiaries regulated by a federal banking agency or an employee of an institution regulated by the Farm Credit Administration (FCA) (collectively, institutions) who engages in the business of a residential mortgage loan originator (MLO) to register with the Nationwide Mortgage Licensing System and Registry (Registry) and obtain a unique identifier. Institutions must require their employees who act as residential MLOs to comply with the Act’s requirements to register and obtain a unique identifier and also adopt and follow written policies and procedures to assure compliance with these requirements.

Among other things, the Registry is intended to aggregate and improve the flow of information to and between regulators; provide increased accountability and tracking of mortgage loan originators; enhance consumer protections; reduce fraud in the residential mortgage loan origination process; and provide consumers with easily accessible information at no charge regarding the employment history of, and the publicly adjudicated disciplinary and enforcement actions against, mortgage loan originators.

Along with the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the National Credit Union Administration, and the Farm Credit Administration, the OCC issued a final rule implementing

the SAFE Act.³ The Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), Public Law 111-203, later transferred this rule to the Consumer Financial Protection Bureau (CFPB) and the CFPB republished this rule as 12 CFR part 1007.⁴ However, the OCC retains enforcement authority for this rule for national banks, federal savings associations and federal branches and agencies of foreign banks with total assets of \$10 billion or less.⁵

MLO Reporting Requirements

Except in situations where the de minimis exception applies, 12 CFR 1007.103 requires an employee of an institution who is engaged in the business of a MLO to register with the Registry, maintain and update such registration, and obtain a unique identifier. This section also requires an institution to require its MLO employees to comply with these requirements. Section 1007.103(d) sets forth the categories of information that an institution must require its employees to submit to the Registry or to submit on the employee’s behalf. This section also requires the employee to submit to the Registry an attestation as to the correctness of the information submitted and an authorization for the Registry to obtain further information.

MLO Disclosure Requirement

Section 1007.105(b) requires the MLO to provide the unique identifier to a consumer upon request, before acting as a mortgage loan originator, and through the originator’s initial written communication with a consumer, if any, whether on paper or electronically.

Financial Institution Reporting Requirements

Section 1007.103(e) specifies the institution and employee information that an institution must submit to the Registry in connection with the registration of one or more MLOs and annually thereafter. The institution also must update this information within 30 days of it becoming inaccurate. Employees of the institution who submit information to the Registry on behalf of the institution also must verify their identity and attest to the accuracy of the information submitted.

Financial Institution Disclosure Requirements

Section 1007.105(a) requires the institution to make the unique identifier

of MLO employees available to consumers in a manner and method practicable to the institution.

Financial Institution Recordkeeping Requirements

Section 1007.104 requires that an institution that employs MLOs to adopt and follow written policies and procedures, at a minimum addressing certain specified areas, but otherwise appropriate to the nature, size and complexity of their mortgage lending activities.

Type of Review: Regular.

Affected Public: Individuals; Businesses or other for-profit.

Estimated Number of Respondents: 85,353.

Estimated Total Annual Burden: 51,384 hours.

The OCC issued a notice for 60 days of comment regarding this collection on February 6, 2018, 83 FR 5293. No comments were received. Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC’s estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
