

SUPPLEMENTARY INFORMATION: On April 30, 2018, the U.S. Government applied the measures authorized in Section 3 of the Iran, North Korea, and Syria Nonproliferation Act (Pub. L. 109–353) against the following foreign person identified in the report submitted pursuant to Section 2(a) of the Act:

Rosoboronexport (ROE) (Russia) and any successor, sub-unit, or subsidiary thereof.

Accordingly, pursuant to Section 3 of the Act, the following measures are imposed on these persons:

1. No department or agency of the United States Government may procure or enter into any contract for the procurement of any goods, technology, or services from this foreign person, except to the extent that the Secretary of State otherwise may determine. This measure shall not apply to subcontracts at any tier with ROE and any successor, sub-unit, or subsidiary thereof made on behalf of the United States Government for goods, technology, and services for the maintenance, repair, overhaul, or sustainment of Mi-17 helicopters for the purpose of providing assistance to the security forces of Afghanistan, as well as for the purpose of combating terrorism and violent extremism globally. Moreover, the ban on U.S. government procurement from the Russian entity Rosoboronexport (ROE) and any successor, sub-unit, or subsidiary thereof shall not apply to United States Government procurement of goods, technology, and services for the purchase, maintenance, or sustainment of the Digital Electro Optical Sensor OSD CAM4060 to improve the U.S. ability to monitor and verify Russia's Open Skies Treaty compliance. Such subcontracts include the purchase of spare parts, supplies, and related services for these purposes;

2. No department or agency of the United States Government may provide any assistance to this foreign person, and this person shall not be eligible to participate in any assistance program of the United States Government, except to the extent that the Secretary of State otherwise may determine;

3. No United States Government sales to this foreign person of any item on the United States Munitions List are permitted, and all sales to this person of any defense articles, defense services, or design and construction services under the Arms Export Control Act are terminated; and

4. No new individual licenses shall be granted for the transfer to this foreign person of items the export of which is controlled under the Export Administration Act of 1979 or the Export Administration Regulations, and

any existing such licenses are suspended.

These measures shall be implemented by the responsible departments and agencies of the United States Government and will remain in place for two years from the effective date, except to the extent that the Secretary of State may subsequently determine otherwise.

Christopher A. Ford,

Assistant Secretary of State for International Security and Nonproliferation.
