

Type: Revision of a currently approved collection.

Form: Interagency Notice of Change in Director or Senior Executive Officer.

Form Number: 6822/02.

Affected Public: Insured state nonmember banks and state savings associations.

Estimated Number of Annual Respondents: 325.

Estimated Time per Response: 2 hours.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 650 hours.

General Description of Collection: Section 32 of the FDIA (12 U.S.C. 1831i) requires an insured depository institution or depository institution holding company under certain circumstances to notify the appropriate federal banking agency of the proposed addition of any individual to the board of directors or the employment of any individual as a senior executive officer of such institution at least 30 days before such addition or employment becomes effective. Section 32 of the FDIA also provides that the FDIC may disapprove an individual's service as a director or senior executive officer of certain state nonmember banks or state savings associations if, upon assessing the individual's competence, experience, character, and integrity, it is determined that the individual's service would not be in the best interest of the depositors of the institution or the public. The Interagency Notice of Change in Director or Senior Executive Officer, with the information contained in the Interagency Biographical and Financial Report (described above) as an attachment, is used by the FDIC to collect information relevant to assess the individual's competence, experience, character, and integrity.

Proposed Revisions: The proposed changes for the Interagency Notice of Change in Director or Senior Executive Officer form include clarifications of existing information requested and exceptions to the extent they may be relied upon by applicants; deletion of certain formerly requested items that are no longer needed to evaluate the notice; and other minor changes for improved grammar, comprehension, and accurate citations and mailing addresses. The FDIC believes these revisions will not change the estimated time per response. The proposed revised "Interagency Notice of Change in Director or Senior Executive Officer" form and a redlined version highlighting the proposed revisions from the currently-approved form may be reviewed by the public at <https://www.FDIC.gov/regulations/laws/federal>.
