ACTION: Final rule.

SUMMARY: The Secretary of Agriculture is authorized to delegate functions, powers, and duties as the Secretary deems appropriate. This document amends the existing delegations of authority by adding and modifying certain delegations, as explained in the Supplementary Information section below. In addition, it repeals regulations governing meetings of the Commodity Credit Corporation Board of Directors.

DATES: Effective May 14, 2018.

FOR FURTHER INFORMATION CONTACT: Melissa McClellan, Office of the General Counsel, (202) 720–5565, melissa.mcclellan@ocg.usda.gov.

SUPPLEMENTARY INFORMATION: This rule makes several changes to the United States Department of Agriculture’s (USDA) delegations of authority in 7 CFR part 2 by adding new delegations and modifying existing delegations. It also repeals Part 1409, Meetings of the Board of Directors of Commodity Credit Corporation.

Overview of Changes
A. Trade and Foreign Agricultural Affairs

This rule adds a new section of delegations by the Secretary to the Under Secretary for TFAA at § 2.26. The rule further adds a new Subpart U titled “Delegations of Authority by the Under Secretary of Trade and Foreign Agricultural Affairs.” The rule establishes a new § 2.600 with delegations to the Deputy Under Secretary for TFAA, in the event a Deputy Under Secretary is appointed. The delegations of authority to the Administrator, FAS previously located at § 2.43 under Subpart F—Delegations of Authority by the Under Secretary for Farm and Foreign Agricultural Services are now located under Subpart U at § 2.601. The rule further establishes a new § 2.602 with delegations to the Manager, U.S. Codex Office.

B. Farm Production and Conservation

This rule also revises the delegations to reflect the change in title of the former Under Secretary for Farm and Foreign Agricultural Services (FFAS) to the Under Secretary for Farm Production and Conservation (FPAC), as authorized by Section 772 of the Consolidated Appropriations Act, 2018 (Pub. L. 115–141) and section 4(a) of Reorganization Plan No. 2 of 1953 (5 U.S.C. App.; 7 U.S.C. 2201 note). The revisions reflect the realignment of the Natural Resources Conservation Service (NRCS) from the Natural Resources and Environment (NRE) mission area to the new FPAC mission area, which also includes the Farm Service Agency (FSA) and Risk Management Agency (RMA). See SM 1076–017 (May 11, 2017); 82 FR 22802–01 (May 18, 2017).

The rule accordingly reassigns the delegations of authority related to natural resources and conservation previously delegated to the Under Secretary for NRE in § 2.20 to the new Under Secretary for FPAC in § 2.16. The delegations of authority to the Chief, NRCS previously located at § 2.61 under Subpart J—Delegations of Authority by the Under Secretary for Natural Resources and Environment and adds them at § 2.43 under the retitled Subpart F—Delegations of Authority by the Under Secretary for Farm Production and Conservation. This rule also adds a new delegation to the Administrator, FSA, through the Under Secretary for FPAC, to administer funds made available to the Secretary in the Further Supplemental Appropriations for Disaster Relief Requirements Act, 2018, Public Law 115–123, for expenses related to hurricanes and wildfires occurring in calendar year 2017.

Throughout Part 2, references to the former Under Secretary for Farm and Foreign Agricultural Services are updated to refer either to the Under Secretary for FPAC or to the Under Secretary for TFAA, depending upon the context.

C. Rural Development

This rule further revises the delegations to reflect that the Rural Development agencies receive delegations from the Secretary through the Assistant to the Secretary for Rural Development, rather than through the former position of Under Secretary for Rural Development. The rule also removes the delegations to the former position of Deputy Under Secretary of Agriculture. Throughout Part 2, the titles of Under Secretary for Rural Development and Under Secretary for Rural and Economic Development are updated to read “Assistant to the Secretary for Rural Development.”

The rule also incorporates a new delegation of authority to the Administrator of the Rural Utilities Service, through the Assistant to the Secretary for Rural Development, to issue waivers to the U.S. iron and steel requirements for the construction, alteration, maintenance, or repair of a public water or wastewater system in accordance with the authority granted to the Secretary under Section 746 of Division A of the Consolidated Appropriations Act, 2018, Public Law 115–141, and any subsequent appropriations acts.
D. Organic Cost Share Programs

This rule also revises the delegations of authority to transfer the authority to administer USDA’s two Organic Certification Cost Share Programs to the FSA Administrator. The authority to administer the Agricultural Management Assistance Organic Certification Cost Share Program, authorized under the Federal Crop Insurance Act (7 U.S.C. 1524(b)(4)(C)(iii)), was previously delegated to the Under Secretary for Natural Resources and the Environment, and to the Chief, NRCS. This rule revises the delegations to transfer the authority to administer the program to the Administrator, FSA through the Under Secretary for FPAC. Similarly, the authority to administer the National Organic Certification Cost Share Program, authorized under the Farm Security and Rural Investment Act of 2002, as amended by the Agricultural Act of 2014 (7 U.S.C. 6523), was previously delegated to the Administrator, Agricultural Marketing Service (AMS), through the Under Secretary for Marketing and Regulatory Programs. This rule reissues those delegations and transfers the responsibility for this program to the Administrator, FSA. See SM 1076–024 (Sept. 8, 2017) available at https://www.ocio.usda.gov/document/secretarys-memorandum-1076-024.

E. General Counsel

The rule also amends the delegations of the General Counsel at § 2.31 to require that settlement agreements above certain monetary thresholds be reviewed and concurred in by the Office of the General Counsel. See SM 1076–020 (Jan. 4, 2018) available at https://www.ocio.usda.gov/document/secretarys-memorandum-1076-020. The rule includes a conforming revision to the general delegations of authority to supervise and direct, located at § 2.7.

F. Conforming Amendments

In addition to the revisions outlined above, the rule updates the list of General Officers at § 2.4 to include the Under Secretaries for TFAA and FPAC and the Assistant to the Secretary for RD, and removes obsolete titles. In addition, the rule updates cross-references to delegations for the former Under Secretary for FAS and to the Administrator, FAS to reflect the new Under Secretary titles and CFR unit locations.

G. Commodity Credit Corporation

This rule also amends part 1409, Meeting of the Board of Directors of Commodity Credit Corporation (CCC), by removing and reserving the part. The regulations in part 1409 were issued in 1977 pursuant to the Government in the Sunshine Act, which applied to the CCC because, at that time, the CCC was an agency “headed by a collegial body composed of two or more individual members, a majority of whom are appointed to such position by the President with the advice and consent of the Senate, and any subdivision thereof authorized to act on behalf of the agency.” See 5 U.S.C. 552b; 42 FR 14673 (Mar. 16, 1977). Under the CCC Charter Act, the Secretary is ex officio Chairman of a seven-member Board of Directors. 15 U.S.C. 714(g). At the time part 1409 was issued, members of the CCC Board of Directors were appointed by the President, by and with the advice and consent of the Senate.

After part 1409 took effect, the CCC Board was required to make its meeting open to public observation, though the rules included a process for holding closed meetings. See 7 CFR 1409.3, 1409.4, and 1409.5. During the time following the application of the open-meeting requirements, the CCC Board held meetings infrequently because of the inability, in the presence of the public, to discuss or take action on matters of a market-sensitive nature. Since 1999, the CCC Board of Directors has held only one meeting, in May 2003. See 68 FR 25317–01 (May 12, 2003).

The Presidential Appointment Efficiency and Streamlining Act of 2011 amended the CCC Charter Act to remove the Senate confirmation requirement for Board members. Public Law 112–166, sec. 2(a)(3) (Aug. 10, 2012). Accordingly, because the Government in the Sunshine Act no longer applies to the CCC Board of Directors, USDA is deleting the regulations at part 1409.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the Federal Register. This rule also is exempt from the provisions of Executive Orders 12866 and 13771. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 et seq., or the Congressional Review Act, 5 U.S.C. 801 et seq., and thus is exempt from the provisions of those acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).
