SUPPLEMENTARY INFORMATION:

Agenda

The southern red hake stock was determined to be overfished and the Council has been given two years from last January to submit an action to address this issue. To begin this action, the Whiting Advisory Panel and the Plan Development Team (PDT) will meet jointly to discuss the potential range and types of rebuilding measures. The Whiting PDT will also identify tasks for the Annual Monitoring Report for Fishing Year 2017, a document to be presented at the September Council meeting. Advisors will provide insight about recent changes in the small-mesh multispecies fishery. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. This meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
