**Central Valley Project Improvement
Act Water Management Plans**

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability.

SUMMARY: The Bureau of Reclamation has made available to the public the Water Management Plans for twelve entities. For the purpose of this announcement, Water Management Plans (Plans) are considered the same as Water Conservation Plans. Reclamation is publishing this notice in order to allow the public an opportunity to review the Plans and comment on the preliminary determinations.

DATES: Submit written comments on the preliminary determinations on or before June 15, 2018.

ADDRESSES: Send written comments to Ms. Charlene Stemen, Bureau of Reclamation, 2800 Cottage Way, MP-400, Sacramento, CA 95825; or via email at cstemen@usbr.gov.

FOR FURTHER INFORMATION CONTACT: To be placed on a mailing list for any subsequent information, please contact Ms. Charlene Stemen at cstemen@usbr.gov, or at 916-978-5218 (TDD 978-5608).

SUPPLEMENTARY INFORMATION: Section 3405(e) of the Central Valley Project Improvement Act (Title 34 Pub. L. 102-575), requires the Secretary of the Interior to, amongst other things, “develop criteria for evaluating the adequacy of all water conservation plans” developed by certain contractors. According to Section 3405(e)(1), these criteria must promote, “the highest level of water use efficiency reasonably achievable by project contractors using best available cost-effective technology and best management practices.” In accordance with this legislative mandate, the Bureau of Reclamation developed and published the Criteria for Evaluating Water Management Plans (Criteria). Each of the twelve entities listed below developed a Plan that Reclamation evaluated and preliminarily determined meets the requirements of the Criteria. The following Plans are available for review:

- City of Roseville
- City of Santa Barbara
- Contra Costa Water District
- Del Puerto Water District
- Dunnigan Water District
- East Bay Municipal Utilities District
- El Dorado Irrigation District
- Proberta Water District
- Santa Clara Valley Water District
- Shafter-Wasco Irrigation District
- Truckee-Carson Irrigation District
- Tulnelake Irrigation District

We invite the public to comment on our preliminary (*i.e.*, draft) determination of Plan adequacy. A copy of these Plans will be available for review at Reclamation’s Mid-Pacific Regional Office, 2800 Cottage Way, MP-

410, Sacramento, CA 95825. If you wish to review a copy of these Plans, please contact Ms. Stemen.

Public Disclosure

Our practice is to make comments, including names and home addresses of respondents, available for public review. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee we will be able to do so.

Dated: May 8, 2018.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comments addressing the following issues: (1) Is the collection necessary to the proper functions of BSEE; (2) Will this information be processed and used in a timely manner; (3) Is the estimate of burden accurate; (4) How might BSEE enhance the quality, utility, and clarity of the information to be collected; and (5) How might BSEE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The regulations at 30 CFR part 250, subpart B, concern plans and information and are the subject of this collection. This request also covers any related Notices to Lessees and Operators (NLTs) that BSEE issues to clarify, supplement, or provide additional guidance on some aspects of our regulations.
