

district, which are also its primary customers. The Bank Act vests the management of each Bank in a board of directors that consists of two types of directors: (1) Member directors, who are drawn from the officers and directors of member institutions located in the Bank's district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank's member institutions, but who reside in the Bank's district and are elected on an at-large basis.¹ The Office of Finance is also governed by a board of directors, which consists of the presidents of the eleven Banks and five independent directors.²

Section 1319A of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (Safety and Soundness Act) requires that each of the Banks establish an Office of Minority and Women Inclusion (OMWI) to be responsible for all matters relating to diversity in its management, employment, and business activities, in accordance with requirements established by FHFA.³ Section 1319A also requires that each Bank implement standards and procedures to ensure, to the maximum extent possible, the inclusion and utilization of women and minorities "at all levels" of its business and activities, and submit an annual report to FHFA detailing actions taken to achieve those goals.⁴

FHFA's MWI regulations implement those statutory requirements and also extend the requirements to the Office of Finance. The regulations require generally that each Bank and the Office of Finance "develop, implement, and maintain policies and procedures to ensure, to the maximum extent possible in balance with financially safe and sound business practices, the inclusion and utilization of minorities, women, individuals with disabilities, and minority-, women-, and disabled-owned businesses in all business and activities and at all levels of the regulated entity, including in management, employment, procurement, insurance, and all types of contracts."⁵ In recognition of the fact that each Bank is required by statute to promote diversity and inclusion "at all levels" of its business and activities, the MWI regulations further require that the Banks' policies and procedures (as well as those of the Office of Finance) "[e]ncourage the consideration of diversity in nominating or soliciting

nominees for positions on boards of directors and engage in recruiting and outreach directed at encouraging individuals who are minorities, women and individuals with disabilities to seek or apply for employment with the regulated entity."⁶

In conformity with the statutory requirements, FHFA's MWI regulations require that each Bank and the Office of Finance submit to FHFA an annual report describing, among other things, its efforts to promote diversity at all levels of management and employment, and the results of those efforts.⁷ In order to provide a quantitative basis upon which to assess the results of those efforts, FHFA's regulations require that each Bank and the Office of Finance set forth in their respective annual reports the demographic data reported on the EEO-1 form, which they are required to file annually with the Equal Employment Opportunity Commission (EEOC).⁸ The EEO-1 form requires that each respondent provide race, ethnicity and gender information for its employees, broken down into various job categories. Because the EEO-1 form does not require that a respondent provide information on board directors, FHFA cannot use the EEO-1 data to assess the effectiveness of the Bank System's efforts to "encourage the consideration of diversity in nominating or soliciting nominees for positions on boards of directors."

Therefore, in order to enable FHFA to assess those efforts, the MWI regulations separately require that the annual reports set forth "[d]ata showing for the reporting year by minority and gender classification, the number of individuals on the board of directors of each Bank and the Office of Finance," using the same racial and ethnic classifications that are used on the EEO-1 form (which comply with OMB's "Statistical Policy Directive No. 15, Race and Ethnic Standards for Federal Statistics and Administrative Reporting").⁹ The regulation requires that each Bank and the Office of Finance collect that data "through an information collection requesting each director's voluntary self-identification of his or her minority and gender classification without personally identifiable information."

FHFA uses the information collected under this control number to assess the effectiveness of the policies and procedures that each Bank and the

Office of Finance is required to implement to promote diversity in all of its business and activities "at all levels" and, specifically, to encourage diversity in the nomination and solicitation of nominees for members of its boards of directors. FHFA also uses the information to establish a baseline to analyze future trends related to the diversity of the boards of directors of the Banks and the Office of Finance and to assess the effectiveness of the strategies developed by the Banks and the Office of Finance for promoting, developing, and retaining diverse board talent.

B. Burden Estimate

FHFA estimates the total annual hour burden imposed upon respondents by this information collection to be 20 hours. This is based on estimates that 200 Bank and Office of Finance Directors will respond annually, with each response taking an average of 0.1 hours (6 minutes) (200 respondents × 0.1 hours = 20 hours).

C. Comments Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Final approval under OMB delegated authority of the extension for three years, with revision, of the FR G–1, FR G–2, and FR G–4 reports, as well as extension for three years, without revision, of the FR G–3, FR T–4, and FR U–1:

1. *Report title:* Registration Statement for Persons Who Extend Credit Secured by Margin Stock (Other Than Banks, Brokers, or Dealers); Deregistration

Statement for Persons Registered Pursuant to Regulation U; Annual Report.

Agency form number: FR G–1; FR G–2; FR G–4.

OMB control number: 7100–0011.

Effective date: July 1, 2018.

Frequency: FR G–1 and FR G–2, On occasion; FR G–4, annually.

Estimated number of respondents: 89.

Estimated average hours per response: FR G–1, 2.5; FR G–2, 0.25; FR G–4, 2.

Estimated annual burden hours: 160.

General description of report: The registration statement (FR G–1) is required to enable the Federal Reserve to identify nonbank lenders subject to the Board's Regulation U, to verify compliance with the regulation, and to monitor margin credit. In addition, registered nonbank lenders can be subject to periodic review by the Board, the National Credit Union Administration, and the Farm Credit Administration.

The deregistration statement (FR G–2) is used by nonbank lenders to terminate its registration if their margin credit activities no longer exceed the regulatory threshold found in Regulation U. Under section 221.3(b)(2) of Regulation U, a registered nonbank lender may apply to terminate its registration if the lender has not, during the preceding six calendar months, had more than \$200,000 of such credit outstanding.

The information submitted on the annual report (FR G–4) is required pursuant to Regulation U to enable the Federal Reserve to monitor the amount of credit extended by nonbank lenders that is secured by margin stock.

2. *Report title:* Statement of Purpose for an Extension of Credit Secured by Margin Stock by a Person Subject to Registration Under Regulation U; Statement of Purpose for an Extension of Credit by a Creditor; Statement of Purpose for an Extension of Credit Secured by Margin Stock.

Agency form number: FR G–3; FR T–4; FR U–1.

OMB control number: 7100–0018; 7100–0019; 7100–0115.

Effective date: July 1, 2018.

Frequency: On occasion.

Estimated number of respondents: FR G–3, 6; FR T–4, 4; FR U–1, 4.

Estimated average hours per response: FR G–3, 0.17; FR T–4, 0.17; FR U–1, 0.17.

Estimated annual burden hours: FR G–3, 20; FR T–4, 14; FR U–1, 51.

General description of reports: The FR G–3, FR T–4, and FR U–1 purpose statements, which are completed by the borrower and the lender (brokers and dealers, in the case of the FR T–4),

consist of three parts. The borrower completes Part I of the reporting form and is required to do the following: State the amount of the loan and whether the purpose of the loan is to purchase, carry, or trade in securities (pursuant to the Board's Regulation T) or purchase or carry margin stock (pursuant to Regulation U) and, if not, describe the specific purpose of the loan. FR T–4 respondents must also answer a question as to whether the securities serving as collateral will be delivered against payment. The borrower must sign and date the reporting form. The lender completes Part II, which may entail listing and valuing any collateral. The lender then signs and dates Part III of the reporting form, acknowledging that the customer's statement is accepted in good faith. The lender is required to hold the reporting forms for at least three years after the credit is extinguished. The Federal Reserve System does not collect or process this information, but the information required on the form may be reviewed by Federal Reserve examiners to assess compliance with the Securities Exchange Act of 1934 (the Act) and Regulation T.

Legal authorization and confidentiality: These reports are authorized by section 7 of the Act (15 U.S.C. 78g). In addition, the FR T–4 is required by section 220.6 of Regulation T (12 CFR 220.6), the FR U–1 is required by sections 221.3(c)(1)(i) and (2)(i) of Regulation U (12 CFR 221.3(c)(1)(i) and (2)(i)), and the FR G–1, FR G–2, FR G–3, and FR G–4 are required by sections 221.3(b)(1), (2), and (3), and (c)(1)(ii) and (2)(ii) of Regulation U (12 CFR 221.3(b)(1), (2), and (3), and (c)(1)(ii) and (2)(ii)).

The FR G–1 and FR G–4 collect financial information, including a balance sheet, from nonbank lenders subject to Regulation U. Some of these lenders may be individuals or nonbank entities that do not make this information publicly available; release could therefore cause substantial harm to the competitive position of the respondent or result in an unwarranted invasion of personal privacy. In those cases, the information could be withheld under exemption 4 or exemption 6 of the Freedom of Information Act (5 U.S.C. 552(b)(4) and (6)), respectively. Confidentiality determinations will be made on a case-by-case basis. Because the FR G–3, FR T–4, and FR U–1 are not submitted to the Federal Reserve System and FR G–2 does not contain any information considered to be confidential, no confidentiality determination is necessary for these reports.

Current actions: On January 23, 2018, the Board published a notice in the **Federal Register** (83 FR 3146) requesting public comment for 60 days on the extension, with revision, of the FR G-1, FR G-2, and FR G-4, as well as the extension, without revision, of the FR G-3, FR T-4, and FR U-1. The Board proposed to revise the instructions for the FR G-1, FR G-2, and FR G-4 to require respondents to submit Portable Document Format (PDF) versions of the reporting forms and attachments to a designated Federal Reserve Board email address. The Board also proposed to consolidate all six Margin Credit Reports under one OMB control number, 7100-0011, which currently only includes the FR G-1, FR G-2, and FR G-4. The comment period expired on March 26, 2018. The Board did not receive any comments. Accordingly, the revisions will be implemented as proposed; provided that, the effective date of the revisions will be July 1, 2018, rather than April 1, 2018, as proposed.

Board of Governors of the Federal Reserve System, May 11, 2018.

Michele Taylor Fennell,

Assistant Secretary of the Board.
