

Current actions: On January 23, 2018, the Board published a notice in the **Federal Register** (83 FR 3146) requesting public comment for 60 days on the extension, with revision, of the FR G–1, FR G–2, and FR G–4, as well as the extension, without revision, of the FR G–3, FR T–4, and FR U–1. The Board proposed to revise the instructions for the FR G–1, FR G–2, and FR G–4 to require respondents to submit Portable Document Format (PDF) versions of the reporting forms and attachments to a designated Federal Reserve Board email address. The Board also proposed to consolidate all six Margin Credit Reports under one OMB control number, 7100–0011, which currently only includes the FR G–1, FR G–2, and FR G–4. The comment period expired on March 26, 2018. The Board did not receive any comments. Accordingly, the revisions will be implemented as proposed; provided that, the effective date of the revisions will be July 1, 2018, rather than April 1, 2018, as proposed.

Board of Governors of the Federal Reserve System, May 11, 2018.

Assistant Secretary of the Board.
