#### Background

On March 27, 2018, Accuride Corporation, Evansville, Indiana, and Maxion Wheels Akron LLC, Akron, Ohio filed a petition with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV and subsidized imports of steel wheels from China. Accordingly, effective March 27, 2018, the Commission, pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)), instituted countervailing duty investigation No. 701-TA-602 and antidumping duty investigation No. 731-TA-1412 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 3, 2018 (83 FR 14295). The conference was held in Washington, DC, on April 17, 2018, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on May 11, 2018. The views of the Commission are contained in USITC Publication 4785 (May 2018), entitled *Steel Wheels from China: Investigation Nos. 701-TA-602 and 731-TA-1412 (Preliminary)*.

By order of the Commission.  
Issued: May 11, 2018.
