**Charter Establishment of Department of Defense Federal Advisory Committees**

**AGENCY:** Department of Defense.

**ACTION:** Renewal of Federal Advisory Committee.

**SUMMARY:** The Department of Defense (DoD) is publishing this notice to announce that it is renewing the charter for the U.S. Army Science Board ("the Board").

**FOR FURTHER INFORMATION CONTACT:** Jim Freeman, Advisory Committee

Management Officer for the Department of Defense, 703-692-5952.

**SUPPLEMENTARY INFORMATION:** This committee's charter is being renewed in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102-3.50(d). The Board's charter and contact information for the Board's Designated Federal Officer (DFO) can be obtained at <http://www.facadatabase.gov/>.

The Board provides the Secretary of Defense independent advice and recommendations on matters relating to the Army's scientific, technical, manufacturing, acquisition, logistics, and business management functions, as well as other Department of the Army related matters as determined by the Secretary of the Army. The Board shall be composed of no more than 20 members who are eminent authorities in one or more of the following disciplines: Science, technology, manufacturing, acquisition, logistics, and business management functions, as well as other matters of special interest to the Department of the Army. Members who are not full-time or permanent part-time Federal officers or employees will be appointed as experts or consultants pursuant to 5 U.S.C. 3109 to serve as special government employee members. Members who are full-time or permanent part-time Federal officers or employees will be appointed pursuant to 41 CFR 102-3.130(a) to serve as regular government employee members. All members are appointed to provide advice on behalf of the Government on the basis of their best judgment without representing any particular point of view and in a manner that is free from conflict of interest. Except for reimbursement of official Board-related travel and per diem, members serve without compensation. The DoD, as necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task forces, or working groups to support the Board, and all subcommittees must operate under the provisions of FACA and the Government in the Sunshine Act. Subcommittees will not work independently of the Board and must report all their recommendations and advice solely to the Board for full deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Board. No subcommittee or any of its members can update or report, verbally or in writing, directly to the DoD or any

Federal officers or employees. The Board's DFO, pursuant to DoD policy, must be a full-time or permanent part-time DoD employee, and must be in attendance for the duration of each and every Board/subcommittee meeting. The public or interested organizations may submit written statements to the Board membership about the Board's mission and functions. Written statements may be submitted at any time or in response to the stated agenda of planned meeting of the Board. All written statements shall be submitted to the DFO for the Board, and this individual will ensure that the written statements are provided to the membership for their consideration.

**Defense Science Board; Notice of Federal Advisory Committee Meeting**

**AGENCY:** Under Secretary of Defense for Research and Engineering, Defense Science Board, Department of Defense.

**ACTION:** Notice of Federal Advisory Committee meeting.

**SUMMARY:** The Department of Defense (DoD) is publishing this notice to announce that the following Federal Advisory Committee meeting of the Defense Science Board will take place.

**DATES:** Day 1—Closed to the public Wednesday, May 16, 2018 from 8:00 a.m. to 5:15 p.m. Day 2—Closed to the public Thursday, May 17, 2018 from 10 a.m. to 4:45 p.m.

**ADDRESSES:** The address of the closed meeting is the Nunn-Lugar Conference Room, 3E863 at the Pentagon, Washington, DC 20301.

**FOR FURTHER INFORMATION CONTACT:** Defense Science Board Designated Federal Officer (DFO) Mr. Edward C. Gliot, (703) 571-0079 (Voice), (703) 697-1860 (Facsimile), [edward.c.gliot.civ@mail.mil](mailto:edward.c.gliot.civ@mail.mil) (Email). Mailing address is Defense Science Board, 3140 Defense Pentagon, Room 3B888A, Washington, DC 20301-3140. Website: <http://www.acq.osd.mil/dsb/>. The most up-to-date changes to the meeting agenda can be found on the website.

**SUPPLEMENTARY INFORMATION:** : Due to circumstances beyond the control of the

Department of Defense (DoD) and the Designated Federal Officer, the Defense Science Board was unable to provide public notification required by 41 CFR 102–3.150(a) concerning the meeting on May 16 thru May 17, 2018, of the Defense Science Board. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102–3.150(b), waives the 15-calendar day notification requirement. This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR 102–3.140 and 102–3.150.

**Purpose of the Meeting:** The mission of the DSB is to provide independent advice and recommendations on matters relating to the DoD's scientific and technical enterprise. The objective of the meeting is to obtain, review, and evaluate classified information related to the DSB's mission. DSB membership will meet with DoD Leadership to discuss current and future national security challenges within the DoD. This meeting will focus on matters related to Homeland Defense, Survivable Logistics, DoD Modernization Strategy, and DoD Technology Strategy.

**Agenda:** The DSB Spring Quarterly meeting will begin on May 16, 2018 at 8:00 a.m. with opening remarks by Edward Gliot, Designated Federal Officer, and DSB Chairman, Dr. Craig Fields. The first presentation will be from the DSB sponsor, Dr. Michael Griffin, Under Secretary of Defense for Research and Engineering who will provide a classified briefing on the views and priorities of the current administration on DoD Research and Engineering goals and strategy. Following Dr. Griffin, Dr. Will Roper, Assistant Secretary of the Air Force for Acquisition will provide a classified briefing on Air Force Modernization. Following Dr. Roper's presentation, Mr. James Geurts, Assistant Secretary of the Navy for Research, Development and Acquisition will provide a classified briefing on Navy Modernization. Following lunch, Honorable Dr. Bruce D. Jette, Assistant Secretary of the Army (Acquisition, Logistics and Technology) will provide a classified briefing on Army Modernization. The next briefing will be a presentation of findings, deliberations, and vote on the work of the Homeland Defense Task Force by Dr. Mim John and Dr. Judith Miller. The next briefing will be a presentation of findings, deliberations, and vote on the work of the Survivable Logistics Task Force by Gen Paul Kern, Ret. and Gen

Duncan McNabb, Ret. The final presentations of the day will be the first two technology area working groups working on a high priority task from the USD(R&E). The Cybersecurity Group discussion will be led by Mr. Jim Gosler and the Command, Control & Communications Group discussion will be led by Mr. Al Grasso. The meeting on May 16, 2018 will adjourn at 5:15 p.m. On the second day of the meeting, May 17, 2018 the day will begin with a presentation and discussion from the Hypersonics Group led by Mr. Mark Russell and the Directed Energy Group led by Dr. Paul Kaminski. Following lunch, the following groups will engage in presentations and discussion: Space Offense & Defense Group led by Mr. Lou Von Thaeer, Artificial Intelligence/Machine Learning Group led by Dr. Ruth David, Missile Defense Group led by Mr. Bob Stein, Quantum Science & Computing led by Dr. John Manfredelli, Microelectronics Group led by Dr. Victoria Coleman, Nuclear Modernization Group led by Dr. Mim John. The meeting on May 17, 2018 will adjourn at 4:45 p.m.

**Meeting Accessibility:** In accordance with section 10(d) of the FACA and 41 CFR 102–3.155, the DoD has determined that the DSB meeting will be closed to the public. Specifically, the Under Secretary of Defense (Research and Engineering), in consultation with the DoD Office of General Counsel, has determined in writing that the meeting will be closed to the public because it will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To permit the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DSB's findings and recommendations to the Secretary of Defense and to the Under Secretary of Defense (Research and Engineering).

**Written Statements:** In accordance with section 10(a)(3) of the FACA and 41 CFR 102–3.105(j) and 102–3.140, interested persons may submit a written statement for consideration by the DSB at any time regarding its mission or in response to the stated agenda of a planned meeting. Individuals submitting a written statement must submit their statement to the Defense Science Board DFO provided above at

any point; however, if a written statement is not received at least three calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the DSB until a later date.

Dated: May 14, 2018.
