

question the jurisdiction's AFFH certification by providing notice to the jurisdiction that HUD believes the AFFH certification to be inaccurate and provide the jurisdiction an opportunity to comment. If, after the notice and opportunity to comment is given to the jurisdiction, HUD determines that the AFFH certification is inaccurate, HUD will reject the certification. Rejection of the certification renders the Consolidated Plan substantially incomplete and constitutes grounds for HUD to disapprove the Consolidated Plan as submitted.⁷ A jurisdiction cannot receive its Community Development Block Grants (CDBG), HOME, Emergency Solutions Grants (ESG), or Housing for Persons With AIDs (HOPWA) program grants until the Consolidated Plan is approved.
