

coordinates are North American Datum 1983.

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port (COTP) Charleston in the enforcement of the regulated areas.

(c) *Regulations.* (1) All non-participant persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the COTP Charleston or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the COTP Charleston by telephone at 843-740-7050, or a designated representative via VHF radio on channel 16, to request authorization.

(3) If authorization to enter, transit through, anchor in, or remain within the regulated area is granted, all persons and vessels receiving such authorization must comply with the instructions of the COTP Charleston or a designated representative.

(4) The Coast Guard will provide notice of the regulated area by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement period.* This rule will be enforced from 7 a.m. until 11 a.m. on May 26, 2018.

Dated: May 18, 2018.

J.W. Reed,

Captain, U.S. Coast Guard, Captain of the Port, Charleston.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2017-0595]

Drawbridge Operation Regulation; Jamaica Bay, Queens, NY

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Marine Parkway (Gil Hodges) Bridge across Jamaica Bay, mile 3.0, at Queens, NY.

This temporary deviation extends the period the bridge may remain in the closed-to-navigation position and is necessary to finalize emergency repairs.

DATES: This deviation is effective from 12:01 a.m. on May 26, 2018, to 11:59 p.m. on June 29, 2018.

ADDRESSES: The docket for this deviation, USCG-2017-0595 is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Judy K. Leung-Yee, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212-514-4336, email Judy.K.Leung-Yee@uscg.mil.

SUPPLEMENTARY INFORMATION: On July 6, 2017, the Coast Guard published a temporary deviation entitled “Drawbridge Operation Regulation; Jamaica Bay, Queens, NY” in the **Federal Register** (82 FR 31255). That deviation allowed the bridge to open with two-hours of advance notice from July 6, 2017 to December 22, 2017. On December 7, 2017, the Coast Guard published a temporary interim rule with request for comments entitled “Drawbridge Operation Regulation; Jamaica Bay, Queens, NY” in the **Federal Register** (82 FR 57674). That temporary interim rule extended the period the bridge may remain in the closed position through May 25, 2018.

The owner of the bridge, the Metropolitan Transportation Authority, requested a second temporary deviation to extend the bridge closure from 12:01 a.m. on May 26, 2018 to 11:59 p.m. on June 29, 2018. This extension is necessary to complete emergency repairs associated with the replacement of lift span machinery that has been delayed by inclement weather.

The Marine Parkway (Gil Hodges) Bridge across Rockaway Inlet, mile 3.0 at Queens, New York is a vertical lift bridge with a vertical clearance of 55 feet at mean high water and 59 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.795(a).

The waterway is transited by seasonal recreational traffic and some commercial vessels. Coordination with waterway users has indicated no objections to the proposed closure of the draw. Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will not be able to open for emergencies. There is no immediate alternate route for vessels

unable to pass through the bridge when in the closed position.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by this temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 7, 2018.

Christopher J. Bisignano,

Supervisory Bridge Management Specialist, First Coast Guard District.

[Docket No. USCG-2017-0695]

RIN 1625-AA09

Drawbridge Operation Regulation; Chambers Bay, Steilacoom, WA

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is modifying the operating schedule that governs the Chambers Bay railroad lift bridge (Chambers Bay Bridge) across Chambers Bay, mile 0.01, near Steilacoom in Pierce County, WA. The modified schedule removes the bridge operator at the subject drawbridge between the hours of 10 p.m. and 6 a.m. due to minimal usage.

DATES: This rule is effective June 25, 2018.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>. Type USCG-2017-0695 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Steven M. Fischer, Bridge Administrator, Thirteenth Coast Guard District Bridge Program Office, telephone 206-220-7282; email d13-pf-d13bridges@uscg.mil.

SUPPLEMENTARY INFORMATION:**I. Table of Abbreviations**

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 BNSF Burlington Northern Santa Fe
 § Section
 U.S.C. United States Code

II. Background, Purpose and Legal Basis

On March 12, 2018, we published a notice of proposed rulemaking entitled Drawbridge Operation Regulation; Chambers Bay, Steilacoom, WA, in the **Federal Register** (83 FR 10648). We received no comments on this rule. On January 17, 2018 we published in the Local Notice to Mariners an approved temporary deviation for the subject bridge while we processed a permanent regulation change.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority 33 U.S.C. 499. Chambers Bay Bridge across Chambers Bay, mile 0.01, near Steilacoom in Pierce County, WA, is a lift bridge and provides a vertical clearance of 10ft in the closed-to-navigation position, and 50ft of vertical clearance in the open-to-navigation position (reference MHW elevation of 12.2 feet). The subject bridge operates in accordance with 33 CFR 117.5. This rule will be a specific operating rule in Subpart B. This new rule allows BNSF to better balance the needs of marine and rail traffic, and modifies the operating schedule by removing the bridge operator between the evening hours of 10 p.m. and 6 a.m. due to minimal usage. In the last 6 years, only 2% of the subject bridge lifts have occurred between the hours of 10 p.m. and 6 a.m., which equates to approximately 5 openings a year.

IV. Discussion of Comments, Changes and the Final Rule

We provided a comment period of 30 days, and no comments were received. The current rule for the subject bridge is open on demand (33 CFR 117.5). However, this rule will be a new specific regulation in Subpart B. The new rule will authorize BNSF to remove the bridge operator at the Chambers Bay Bridge from 10 p.m. to 6 a.m., but the draw shall open on signal if at least four hours of notice is given. For vessels engaged in emergency response, the draw will be required to open as soon as possible, and no later than one hour after notification.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analysis based on these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, it has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance, it is exempt from the requirements of Executive Order 13771. This regulatory action determination is based on the ability that vessels can still transit the bridge given advanced notice.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rule. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit under the bridge may be small entities, for the reasons stated in section V.A. above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

D. Federalism and Indian Tribal Government

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. We have not received any comments for this rule change.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble. We have not

received any comments for this rule change.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule simply promulgates the operating regulations or procedures for drawbridges. This action is categorically excluded from further review, under figure 2-1, paragraph (32)(e), of the Instruction. A Record of Environmental Consideration and a Memorandum for the Record are not required for this rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 117.1029 under the center heading “Washington” to read as follows:

§ 117.1029 Chambers Bay.

The draw of the Chambers Bay railroad lift bridge, mile 0.01, at Chambers Bay, shall open on signal except between 10 p.m. to 6 a.m. The draw shall open on signal from 10 p.m. to 6 a.m. when at least four hours of notice has been given via the phone number displayed at the bridge, and as soon as possible, no later than 1 hour after notification, for vessels engaged in emergency response.

David G. Throop,

Rear Admiral, U.S. Coast Guard, Commander, Thirteenth Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2018-0395]

Safety Zones; Annual Fireworks Displays Within the Sector Columbia River Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce safety zones regulations at various locations in the Sector Columbia River Captain of the Port zone. This action is necessary to provide for the safety of life on these navigable waters during fireworks displays. While these safety zone regulations are subject to enforcement, persons and vessels are prohibited from being in the safety zone unless authorized by the Captain of the Port Sector Columbia River or a designated representative.

DATES: The regulations in 33 CFR 165.1315 will be enforced for the safety zones identified in the **SUPPLEMENTARY INFORMATION** section below for the dates and times specified in this document.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email LCDR Laura Springer, Waterways Management Division, Marine Safety Unit Portland, Coast Guard; telephone 503-240-9319, email msupdxwwm@uscg.mil.

SUPPLEMENTARY INFORMATION: These safety zones found in 33 CFR 165.1315 will be activated and thus subject to enforcement at least 1 hour before and 1 hour after the duration of the event each day as listed in the following Table:

TABLE—DATES AND DURATIONS IN 2018 FOR EVENTS LISTED IN 33 CFR 165.1315 AND THE LOCATION OF THESE EVENTS WITHIN THE SECTOR COLUMBIA RIVER CAPTAIN OF THE PORT ZONE
