VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current

performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

Performance reports for the LRC Program must be submitted electronically into the office of International and Foreign Language (IFLE) web-based reporting system, International Resource Information System (IRIS). For information about IRIS and to view the reporting instructions, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. If a grantee is provided additional funding for this purpose, the Secretary establishes a data collection period.

5. *Performance Measures:* Under the Government Performance and Results Act of 1993, the following measures will be used to evaluate the success of the LRC Program:

(a) Percentage of LRC products or activities judged to be successful by LRC customers with respect to quality, usefulness and relevance.

(b) Percentage of LRC products judged to be successful by an independent expert review panel with respect to quality, usefulness and relevance.

(c) Cost per LRC project that increased the number of training programs for K–16 instructors of LCTLs (efficiency measure).

The information provided by grantees in their performance reports submitted via the IRIS reporting system will be the source of data for these measures. Reporting screens for institutions can be viewed at: <http://iris.ed.gov/iris/pdfs/LRC.pdf>.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable

to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

Abstract: This is a request for an emergency clearance to enable FSA to ensure that the required operational changes can be implemented to allow for the benefits to be available to federal student loan borrowers as well as to remain in compliance with the statutory requirements.

Section 315 of Title III, Division H in the Consolidated Appropriations Act, 2018, (Pub.
