Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Coast Boulevard Improvements Project, La Jolla, California

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of incidental harassment authorization (IHA).

SUMMARY: NMFS has received a request from the City of San Diego (the City) for an incidental harassment authorization (IHA) to take three species of marine mammals, by Level B harassment only, incidental to Coast Boulevard improvements in La Jolla, California. The project has been delayed, such that none of the work covered in the identical IHA issued in 2017 was initiated and, therefore, the City requested that an identical IHA be issued to cover the same work in 2018. NMFS is, therefore, issuing a second IHA to cover the incidental take analyzed and authorized in the initial IHA. The scope of the activities and anticipated effects remain the same, authorized take numbers would not change, and the required mitigation, monitoring, and reporting would remain the same as authorized in the 2017 IHA referenced above. NMFS is therefore notifying the public about the issuance of an IHA to the City to incidentally take marine mammals, by Level B harassment only, during the City's Coast Boulevard improvements.

DATES: Valid June 1, 2018 through May 31, 2019.

ADDRESSES: An electronic copy of the final 2017 IHA previously issued to the City, the City's application, and the **Federal Register** notices proposing and issuing the 2017 IHA may be obtained by visiting <https://www.fisheries.noaa.gov/national/marine-mammal-protection/incidental-take-authorizations-construction-activities>.
