SUPPLEMENTARY INFORMATION: Section 421(a)(1) of the Controlled Substances Act (21 U.S.C. 862(a)(1)) includes provisions regarding the judicial denial of Federal benefits. Section 421 of the Controlled Substances Act, which was originally enacted as section 5301 of the Anti-Drug Abuse Act of 1988, and which was amended and redesignated as section 421 of the Controlled Substances Act by section 1002(d) of the Crime Control Act of 1990, Public Law 101–647 (hereinafter referred to as “section 5301”), authorizes Federal and State judges to deny certain Federal benefits (including student financial assistance under title IV of the Higher Education Act of 1965, as amended (HEA)) to individuals convicted of drug trafficking or possession of a controlled substance.

In order to ensure that HEA student financial assistance is not awarded to individuals subject to denial of benefits under court orders issued pursuant to section 5301, DOJ and ED implemented a computer matching program. The 18-month CMA was recertified for an additional 12 months on June 20, 2017. The 12-month recertification of the CMA will automatically expire on June 19, 2018.

For the purpose of ensuring that HEA student financial assistance is not awarded to individuals denied benefits by court orders issued under the Denial of Federal Benefits Program, ED must continue to obtain from DOJ identifying information regarding individuals who are the subject of section 5301 denial of benefits court orders. The purpose of this notice is to announce the continued

operation of the computer matching program and to provide certain required information concerning the computer matching program.

PARTICIPATING AGENCIES

The Department of Education (ED) and the Department of Justice (DOJ).

AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:

Under section 5301, ED must deny Federal benefits to any individual upon whom a Federal or State court order has imposed a penalty denying eligibility for those benefits. Student financial assistance under the HEA is a Federal benefit and under section 5301, ED must, in order to meet its obligations under the HEA, have access to information about individuals who have been declared ineligible under section 5301.

While DOJ provides information under section 5301 about individuals who are ineligible for Federal benefits to the General Services Administration (GSA) for inclusion in GSA’s List of Parties Excluded from Federal Procurement and Nonprocurement Programs, DOJ and ED have determined that matching against the DOJ database is more efficient and effective than matching against the GSA List. The DOJ database has specific information about the HEA programs for which individuals are ineligible, as well as the expiration of the debarment period, making the DOJ database more complete than the GSA List. Both of these elements are essential for a successful match.

PURPOSE(S):

The purpose of this matching program is to ensure that the requirements of section 421 of the Controlled Substances Act (originally enacted as section 5301 of the Anti-Drug Abuse Act of 1988, Public Law 100–690, 21 U.S.C. 853a, which was amended and redesignated as section 421 of the Controlled Substances Act by section 1002(d) of the Crime Control Act of 1990, Public Law 101–647) (hereinafter referred to as “section 5301”) are met.

DOJ is the lead contact agency for information related to section 5301 violations and, as such, provides this data to ED. ED seeks access to the information contained in the Denial of Federal Benefits and Defense Procurement Fraud Debarment Clearinghouse program (DFB/DPPFD) database (formerly known as DEBARS) that is authorized under section 5301 for the purpose of ensuring that HEA student financial assistance is not awarded to individuals subject to denial

of benefits under court orders issued pursuant to the Denial of Federal Benefits Program.

CATEGORIES OF INDIVIDUALS:

The individuals whose records are included in this matching program are individuals who are the subject of section 5301 denial of benefits court orders, and all students who complete a Free Application for Federal Student Aid. ED receives data from the DOJ DFB/DPPFD system that is used to match title IV, HEA applicant data in ED's Central Processing System (Federal Student Aid Application File (18–11–01)).

CATEGORIES OF RECORDS:

ED will use the Social Security number (SSN), date of birth, and the first two letters of an applicant's last name for the match. These data elements are contained in ED's Central Processing System. The DOJ DFB/DPPFD system contains the names, SSNs, dates of birth, and other identifying information regarding individuals convicted of Federal or State offenses involving drug trafficking or possession of a controlled substance that have been denied Federal benefits by Federal or State courts. This system of records also contains information concerning the specific program or programs for which benefits have been denied, as well as the duration of the period of ineligibility. DOJ will make available for the matching program the records of only those individuals who have been denied Federal benefits under one or more of the title IV, HEA programs.

SYSTEM(S) OF RECORDS:

DOJ system of records: DFB/DPPFD (The most recent full DFB/DPPFD system of records notice was published in the **Federal Register** on May 10, 1999, 64 FR 25071.) ED system of records: Federal Student Aid Application File (18–11–01). (The most recent ED system of records notice was published in the **Federal Register** on August 3, 2011, 76 FR 46774.) (Note: The ED Central Processing System [CPS] is the ED information system that processes data from the Federal Student Aid Application File.)

Accessible Format: Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotope, or compact disc) by contacting the contact person listed in the preceding paragraph.

Case #2017–014

Decision and Order

I. Background and Authority

The Energy Policy and Conservation Act of 1975 (“EPCA” or “the Act”),¹ Public Law 94–163 (42 U.S.C. 6291–6317, as codified), among other things, authorizes the U.S. Department of Energy (“DOE”) to regulate the energy efficiency of a number of consumer products and industrial equipment. Title III, Part B² of EPCA established the Energy Conservation Program for Consumer Products Other Than Automobiles, a program that includes EPSs, which are the subject of this Order. (42 U.S.C. 6291(36); 42 U.S.C. 6295(u)) Under EPCA, DOE's energy conservation program consists essentially of four parts: (1) testing, (2) labeling, (3) Federal energy conservation standards, and (4) certification and enforcement procedures.

The Federal testing requirements consist of test procedures that manufacturers of covered products must use as the basis for: (1) certifying to DOE that their products comply with the applicable energy conservation standards adopted pursuant to EPCA (42
