SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA approval for the Notice of Payments (Form LS–208) information collection. Insurance carriers and self-insured employers use Form LS–208 to report Longshore and Harbors Workers' Compensation Act (LHWCA) benefit payments. LHWCA section 914(g) authorizes this collection. See 33 U.S.C. 914(g).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240–0041.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 16, 2018 (83 FR 7080).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240–0041. The OMB is particularly interested in comments that:

whether the information will have practical utility;

- Enhance the quality, utility, and clarity of the information to be collected; and
