Foreign-Trade Zones Board

[B-34-2018]

Foreign-Trade Zone (FTZ) 230—Greensboro, North Carolina; Notification of Proposed Production Activity; Patheon Softgels (Pharmaceutical Products); High Point, North Carolina

The Piedmont Triad Partnership, grantee of FTZ 230, submitted a notification of proposed production activity to the FTZ Board on behalf of Patheon Softgels (Patheon), located in High Point, North Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 31, 2018.

Patheon already has authority to produce certain prescription pharmaceutical products and soft gelatin capsules within Subzone 230C. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Patheon from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below and in the existing scope of authority, Patheon would be able to

choose the duty rates during customs entry procedures that apply to: Gelatin encapsulated ibuprofen capsules (duty-free). Patheon would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include: Ponceau R4 (food coloring—for use only in production for export); ibuprofen active pharmaceutical ingredients; medium chain triglycerides; and, polyethylene glycol (duty rate ranges from 8.8ct/kg to 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 23, 2018.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zones Board

[B-37-2018]

Foreign-Trade Zone 113—Ellis County, Texas; Application for Reorganization (Expansion of Service Area); Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Ellis County Trade Zone Corporation, grantee of Foreign-Trade Zone 113, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites

for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on June 4, 2018.

FTZ 113 was approved by the FTZ Board on December 21, 1984 (Board Order 283, 50 FR 300, January 3, 1985) and reorganized under the ASF on September 24, 2010 (Board Order 1708, 75 FR 61706, October 6, 2010). The zone currently has a service area that includes Ellis County, Texas.

The applicant is now requesting authority to expand the service area of the zone to include Navarro County, Texas, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Dallas/Fort Worth Customs and Border Protection Port of Entry.

In accordance with the FTZ Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is August 10, 2018. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 27, 2018.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482-2350.
