SUPPLEMENTARY INFORMATION:

Background

On February 9, 2018, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LFTV) investigations of imports of large diameter welded pipe from Canada, China, Greece, India, Korea, and Turkey.¹ Currently, the preliminary determinations are due no later than June 29, 2018.²

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LFTV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later

than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Pursuant to 19 CFR 351.205(e), the petitioner must submit a request to postpone 25 days or more before the scheduled date of the preliminary determination, and must state the reasons for postponement. Commerce will grant the request unless it finds compelling reasons to deny the request. *See* 19 CFR 351.205(e).

On May 23, 2018, the petitioners³ submitted a timely request that Commerce postpone the preliminary determinations in these LFTV investigations.⁴ The petitioners stated that the purpose of their request is to provide Commerce with adequate time to solicit information from the respondents and to allow Commerce sufficient time to analyze respondents' questionnaire responses.⁵

In accordance with 19 CFR 351.205(e), there are no compelling reasons to deny the request. Therefore, in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), we are postponing the preliminary determinations in these LFTV investigations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). Additionally, Commerce exercised its discretion to toll deadlines affected by the closure of the Federal Government from January 20 through 22, 2018.⁶ Accordingly, Commerce is postponing the deadline for the preliminary

determinations to August 20, 2018.⁷ Pursuant to section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: June 8, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
