OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

[Docket Number USTR–2018–0004; Dispute Number WT/DS541]

WTO Dispute Settlement Proceeding Regarding India—Export Related Measures

AGENCY: Office of the United States Trade Representative.

ACTION: Notice with request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that the United States has requested the establishment of a dispute settlement panel under the Marrakesh Agreement Establishing the World Trade Organization (WTO Agreement). That request may be found at www.wto.org in a document designated as WT/DS541/4. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments during the course of the dispute settlement proceedings, you should submit your comment on or before July 2, 2018, to be assured of timely consideration by USTR.

FOR FURTHER INFORMATION CONTACT: Assistant General Counsels Ross Biddingmaier (202) 395–9409 or David Lee (202) 395–9511.

SUPPLEMENTARY INFORMATION:

I. Background

Section 127(b)(1) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires notice and opportunity for comment after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to this provision, USTR is providing notice that the United States has requested a dispute settlement panel pursuant to the WTO Understanding on Rules Procedures Governing the Settlement of Disputes (DSU). The panel will hold its meetings in Geneva, Switzerland.

II. Major Issues Raised by the United States

On March 14, 2018, the United States requested consultations concerning certain Indian export subsidies provided through: (1) The Export Oriented Units Scheme and sector specific schemes, including Electronics Hardware Technology Parks Scheme, (2) the Merchandise Exports from India Scheme, (3) the Export Promotion Capital Goods Scheme, (4) Special Economic Zones, and (5) a duty-free imports for exports program. The parties failed to reach a mutually satisfactory resolution to this dispute. On May 17, 2018, the United States requested the establishment of a panel. The Dispute Settlement Body considered this request at its meeting of May 28, 2018, and established a panel to consider this dispute.

The United States alleges that India is providing prohibited export subsidies contrary to Articles 3.1(a) and 3.2 of the Agreement on Subsidies and Countervailing Measures.

III. Public Comments: Requirements for Submissions

USTR invites written comments concerning the issues raised in this dispute. All submissions must be in English and sent electronically via www.regulations.gov. To submit comments via www.regulations.gov, enter docket number USTR–2018–0004 on the home page and click “search.” The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice by selecting “notice” under “document type” on the left side of the search-results page, and click on the link entitled “comment now!” For further information on using the www.regulations.gov website, please consult the resources provided on the website by clicking on “How to Use Regulations.gov” on the bottom of the home page.

The www.regulations.gov website allows users to provide comments by filing in a “public comments” field, or by attaching a document using an “upload file” field. USTR prefers that comments be provided in an attached document. If a document is attached, it is sufficient to type “see attached” in the “type comment” field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the “type comment” field.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters “BC”. Any page containing business confidential information must be clearly marked “BUSINESS CONFIDENTIAL” on the top and bottom of that page and the submission should clearly indicate, via brackets, highlighting, or other means, the specific information that is business confidential. If you request business confidential treatment, you must certify in writing that disclosure of the information would endanger trade secrets or profitability, and that the information would not customarily be released to the public. Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public version should begin with the character “P”. The “BC” and “P” should be followed by the name of the person or entity submitting the comments or rebuttal comments. If this is not sufficient to protect business confidential information or otherwise protect business interests, please contact Sandy McKinzy at (202) 395–9483 to discuss whether alternative arrangements are possible.

USTR may determine that information or advice contained in a comment, other than business confidential information, is confidential in accordance with section 135(g)(2) of the Trade Act of 1974 (19 U.S.C. 2155(g)(2)). If a submitter believes that information or advice is confidential, s/he must clearly designate the information or advice as confidential and mark it as “SUBMITTED IN CONFIDENCE” at the top and bottom of the cover page and each succeeding page, and provide a non-confidential summary of the information or advice.

Pursuant to Section 127(e) of the URAA (19 U.S.C. 3537(e)), USTR will maintain a docket on this dispute settlement proceeding, docket number USTR–2018–0004, accessible to the public at www.regulations.gov. The public file will include non-confidential public comments USTR receives regarding the dispute. If a dispute settlement panel is convened, or in the
event of an appeal from a panel, USTR will make the following documents publicly available at www.ustr.gov: The U.S. submissions and any non-confidential summaries of submissions received from other participants in the dispute. If a dispute settlement panel is convened, or in the event of an appeal from a panel, the report of the panel, and, if applicable, the report of the Appellate Body, will also be available on the website of the World Trade Organization, at www.wto.org.

[Docket No. FMCSA–2018–0002]

Hours of Service of Drivers: Electronic Logging Devices; Application for Exemption; Old Dominion and Other Motor Carriers Experiencing Problems Integrating PeopleNet ELD System Updates Into Their Fleet Management Systems

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of withdrawal of application for exemption.

SUMMARY: FMCSA announces that it has accepted the request of Old Dominion Freight Line Inc. (Old Dominion) to withdraw its application for an exemption from the Agency’s electronic logging device (ELD) requirements. Old Dominion no longer needs the exemption.

FOR FURTHER INFORMATION CONTACT: For information concerning this notice, contact Mr. Tom Yager, Chief, FMCSA Driver and Carrier Operations Division; Office of Carrier, Driver and Vehicle Safety Standards; Telephone: 614–942–6477. Email: MCPSD@dot.gov.

SUPPLEMENTARY INFORMATION:

Background

Old Dominion, USDOT 90849, reports that it is an interstate motor carrier based in North Carolina with 228 Service Centers located throughout the country. Its operations cover the entire continental United States. The company is one of the largest less-than-truckload carriers in the country, operating a fleet of more than 8,500 power units and employing more than 10,100 commercial motor vehicle (CMV) drivers.

Old Dominion applied for an exemption from the ELD requirements to allow the company to install ELD devices running on automatic on-board recording device (AOBRD) software in CMVs added to the company’s fleet for up to one year from the December 18, 2017, ELD mandate compliance date. If granted, this modified ELD phase-in period would have allowed Old Dominion’s AOBRD/ELD provider, PeopleNet, to continue the development of the software necessary to integrate ELD data with the company’s fleet management and safety systems to fully meet the ELD mandate. FMCSA considered the request to be on behalf of all motor carriers in similar situations concerning the integration of PeopleNet’s ELD software into fleet management systems. On January 31, 2018, FMCSA published a Federal Register notice of Old Dominion’s application for exemption and asked for public comment (83 FR 4548). On March 12, 2018, by letter, Old Dominion asked to withdraw its application for the requested exemption. The letter of withdrawal is in the docket for this notice. The Agency accordingly accepts Old Dominion’s request to withdraw its application and closes the docket of this matter.

Issued on: June 11, 2018.

Larry W. Minor,
Associate Administrator for Policy.

Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew exemptions for 86 individuals from the vision requirement in the Federal Motor Carrier Safety Regulations (FMCSRs) for interstate commercial motor vehicle (CMV) drivers. The exemptions enable these individuals to continue to operate CMVs in interstate commerce without meeting the vision requirements in one eye.

DATES: Each group of renewed exemptions were applicable on the dates stated in the discussions below and will expire on the dates stated in the discussions below. Comments must be received on or before July 18, 2018.
