RIN 1625-AA00

Safety Zone; City of Oswego Community Fireworks; Oswego Harbor, Oswego, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 420-foot radius of the launch site located at the Oswego Harbor, Lake Ontario, Oswego, NY. This safety zone is intended to restrict vessels from portions of Lake Ontario during the City of Oswego Community fireworks display. This temporary safety zone is necessary to protect mariners and vessels from the navigational hazards associated with a fireworks display. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Buffalo.

DATES: This rule is effective from 8:45 p.m. until 10:15 p.m. on July 1, 2018.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause find that those procedures are "impracticable, unnecessary, or contrary to public interest." On April 19, 2018, the Captain of the Port (COTP) Buffalo published a notice of proposed rulemaking (NPRM), Docket Number USCG-2017-1112, to make temporary safety zones for annual events a final rule. This event was included in the NPRM. Its purpose was to mitigate potential threats to personnel, vessels, and the marine environment in the navigable waters within the specified safety zones. The NPRM addressed these concerns, and invited the public to comment during the comment period, which ended on May 21, 2018. As such, it is unnecessary to publish an NPRM for this temporary rule because the public had opportunity to comment on it and no comments were received concerning this event.

Under 5 U.S.C 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the rule's objectives of ensuring safety of life on the navigable waters and protection of persons and vessels in the vicinity of the fireworks display.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The Captain of the Port Buffalo (COTP) has determined that a fireworks display presents significant risks to the public safety and property. Such hazards include premature and accidental detonations, dangerous projectiles, and falling or burning debris. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the fireworks display takes place.
