Documents mentioned in this NPRM as being available in this docket and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

■ 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05–1; Department of Homeland Security Delegation No. 0170.1.

■ 2. In § 117.491, revise paragraph (c) to read as follows:

§ 117.491 Red River.

* * * * *

(c) The draws of the bridges above mile 105.8 through mile 234.4 need not open for passage of vessels. The owner or agency controlling the bridge must restore the draw to full operation within three months if notified by the District Commander that the needs of navigation require resumed operation of the spans.

33 CFR Part 165

[Docket Number USCG–2018–0463]

RIN 1625–AA00

Safety Zone; Beaufort Water Festival Air Show, Beaufort, SC

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to establish a temporary safety zone on the waters of the Beaufort River in Beaufort, SC. The safety zone is needed to ensure safety of life on navigable waters of the United States during the Beaufort Water Festival Air Show. This proposed regulation will prohibit persons and vessels from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the Port Charleston (COTP) or a designated representative. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before July 23, 2018.

ADDRESSES: You may submit comments identified by docket number USCG–2018–0463 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Lieutenant Justin Heck, Sector Charleston Office of Waterways Management, Coast Guard; telephone (843) 740–3184, email Justin.C.Heck@uscg.mil.

NPRM Notice of proposed rulemaking
Pub. L. Public Law
§ Section
U.S.C. United States Code
COTP Captain of the Port

II. Background, Purpose, and Legal Basis

On April 27, 2018, the Coast Guard received a marine event application for the 2018 Beaufort Water Festival Air Show that will take place from 12 p.m. until 5 p.m. on July 21, 2018. The safety zone is necessary to ensure the safety of life on the navigable waters of the United States during the Beaufort Water Festival Air Show. The COTP has determined that potential hazards associated with the airshow would be a safety concern for anyone within the regulated area.

The purpose of this rulemaking is to ensure the safety of vessels and the navigable waters within the regulated area before, during, and after the

scheduled event. The Coast Guard proposes this rulemaking under authority in 33 U.S.C. 1231.

III. Discussion of Proposed Rule

The COTP proposes to establish a safety zone from 12 p.m. until 5 p.m. on July 21, 2018. The safety zone would encompass a portion of the waterway that is 700 feet wide by 2600 feet in length on the waters of the Beaufort River in Beaufort, SC. No vessel or person would be permitted to enter, transit through, anchor in, or remain within the safety zone without obtaining permission from the COTP or a designated representative. The Coast Guard would provide notice of the safety zone by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. The safety zone will only be enforced for 5 hours, vessel traffic will be able to safely operate in the surrounding area during the enforcement period, and the rule will allow vessels to seek permission to enter the zone. Moreover, the Coast Guard will provide advance notification of the safety zone to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners via VHF–FM marine channel 16.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended,

requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

We have considered the impact of this proposed rule on small entities. This rule may affect the following entities, some of which may be small entities: the owner or operators of vessels intending to enter, transit through, anchor in, or remain within the regulated area during the enforcement period. For the reasons stated in section IV.A. above, this proposed rule would not have a significant economic impact on a substantial number of small entities.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that

Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves a safety zone lasting 5 hours that would prohibit entry on certain waters of the Beaufort River in Beaufort, SC. Normally such actions are categorically excluded from further review under paragraph L 60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A preliminary Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, visit <http://www.regulations.gov/privacyNotice>.

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5;

Department of Homeland Security Delegation
No. 0170.1.

■ 2. Add § 165.T07–0463 to read as follows:

§ 165.T07 —0463 Safety Zone; Beaufort Water Festival Air Show, Beaufort, SC

(a) *Location.* This rule establishes a safety zone on certain waters of the Beaufort River, Beaufort, SC. The rule creates a regulated area that will encompass a portion of the waterway that is 700 feet wide by 2600 feet in length on waters of the Beaufort River encompassed within the following points: 32°25'47" N/080°40'44" W, 32°25'41" N/080°40'14" W, 32°25'35" N/080°40'16" W, 32°25'40" N/080°40'46" W. All coordinates are North American Datum 1983.

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the COTP in the enforcement of the regulated areas.

(c) *Regulations.* (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the COTP or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the COTP by telephone at 843–740–7050, or a designated representative via VHF radio on channel 16, to request authorization. If authorization to enter, transit through, anchor in, or remain within the regulated area is granted by the COTP or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the COTP or a designated representative.

(3) The Coast Guard will provide notice of the regulated area by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement Period.* This rule will be enforced on July 21, 2018 from 12 p.m. until 5 p.m.

Dated: June 13, 2018.

J.W. Reed,

Captain, U.S. Coast Guard, Captain of the Port Charleston.

LIBRARY OF CONGRESS

Copyright Office

37 CFR Part 201

[Docket No. 2018–4]

Copyright Office Fees: Extension of Comment Period

AGENCY: U.S. Copyright Office, Library of Congress.

ACTION: Notice of proposed rulemaking; extension of comment period.

SUMMARY: The Copyright Office is extending the deadline for the submission of written comments in response to its May 24, 2018 notice of proposed rulemaking proposing the adoption of a new fee schedule.

DATES: The comment period for the notice of proposed rulemaking, published on May 24, 2018 (83 FR 24054), is extended by an additional sixty days. Comments must be made in writing and must be received in the U.S. Copyright Office no later than 11:59 p.m. Eastern Time on September 21, 2018.

ADDRESSES: For reasons of government efficiency, the Copyright Office is using the *regulations.gov* system for the submission and posting of public comments in this proceeding. All comments are therefore to be submitted electronically through *regulations.gov*. Specific instructions for submitting comments are available on the Copyright Office website at <https://www.copyright.gov/rulemaking/feestudy2018/>. If electronic submission of comments is not feasible due to lack of access to a computer and/or the internet, please contact the Office for special instructions using the contact information below.

FOR FURTHER INFORMATION CONTACT: Regan A. Smith, General Counsel and Associate Register of Copyrights, by email at regans@copyright.gov, or Jalyce Mangum, Attorney-Advisor, by email at jmang@copyright.gov, or either by telephone at 202–707–8350.

SUPPLEMENTARY INFORMATION: On May 24, 2018, the U.S. Copyright Office issued a proposed rulemaking recommending the adoption of a new fee schedule for services in the following areas: Registration, recordation, record retrieval, search, and certification, the Licensing Division, and other ancillary services. The proposed fee schedule would assist the Office in recovering a significant part, though not the whole, of its costs.¹ The

¹ 83 FR 24054 (May 24, 2018).

Office invited public comment on the notice of proposed rulemaking. To ensure that members of the public have sufficient time to respond, and to ensure that the Office has the benefit of a complete record, the Office is extending the submission deadline by an additional sixty days. Written comments now are due no later than September 21, 2018.

Dated: June 15, 2018.

Regan A. Smith,

General Counsel and Associate Register of Copyrights.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA–R04–OAR–2015–0501; FRL–9979–79–Region 4]

Air Plan Approval; North Carolina: New Source Review for Fine Particulate Matter (PM_{2.5})

AGENCY: Environmental Protection Agency.

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve changes to the North Carolina State Implementation Plan (SIP), submitted by the North Carolina Department of Environmental Quality (NC DEQ) through the Division of Air Quality (DAQ), to EPA on October 17, 2017. This SIP submittal modifies North Carolina’s Prevention of Significant Deterioration (PSD) regulations and includes the adoption of specific federal provisions needed to meet the New Source Review (NSR) permitting program requirements for the fine particulate matter (PM_{2.5}) national ambient air quality standards (NAAQS). In addition, North Carolina’s October 17, 2017, SIP submittal addresses portions of the PSD requirements for the infrastructure SIPs for the following NAAQS: 1997 Annual and 24-hour PM_{2.5}, 2006 24-hour PM_{2.5}, 2008 lead, 2008 8-hour ozone, 2010 sulfur dioxide (SO₂), 2010 nitrogen dioxide (NO₂) and 2012 Annual PM_{2.5}. As a result of this proposed approval of North Carolina’s modified PSD regulations, EPA is also proposing to approve North Carolina’s submittal with respect to the related PSD infrastructure SIP requirements for these NAAQS. As discussed in this notice, EPA previously disapproved portions of earlier submittals from North Carolina that were intended to meet
