SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Attestation for Employers Seeking to Employ H-2B Nonimmigrant Workers Under Section 543 of the Consolidated Appropriations Act, 2017 information collection. As set forth in the Temporary Rule, *Exercise of Time-Limited Authority to Increase the Fiscal Year 2017 Numerical Limitation for the H-2B Temporary Nonagricultural Worker Program*, employers seeking authorization to employ workers under a time-limited authority were required to complete and submit Form ETA-9142-B-CAA. See 82 FR 32987 (July 19, 2017) The authority to issue any new visas under the 2017 Act has expired, and employers are no longer permitted to submit the form; however, an employer must still retain records to support its attestation. This ICR revises the collection to remove the filing provisions while retaining the recordkeeping requirements. Consolidated Appropriations Act of 2017 section 543 authorizes this information collection. See Public Law 115-31 section 543.

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 21, 2017 (82 FR 60629).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0530. The OMB is particularly interested in comments that:
