Abstract of Proposed Collection

The ITAR requires persons registered with DDTC to maintain records pertaining to defense trade-related transactions. This information collection approves the record-keeping requirements imposed on registrants by the ITAR. Respondents to this collection may submit their records to DDTC as supporting documentation for disclosures of potential violations of the AECA. The method by which respondents submit these records is approved under OMB control no. 1405-0179. DDTC uses these records to analyze industry compliance processes and procedures, and to help assess whether the activity in question might merit administrative sanctions or referral to the Department of Justice for possible criminal prosecution.

Methodology

Respondents may maintain records in any format consistent with the provisions in ITAR § 122.5.

SUPPLEMENTARY INFORMATION:

I. Background

Section 127(b)(1) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires notice and opportunity for comment after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to this provision, USTR is providing notice that the United States has requested a dispute settlement panel pursuant to the *WTO Understanding on Rules and Procedures Governing the Settlement of Disputes* (DSU). Once the WTO establishes a dispute settlement panel, the panel will hold its meetings in Geneva, Switzerland.

II. Major Issues Raised by the United States

In 2017, the United States requested consultations with Canada regarding measures maintained by the Canadian province of British Columbia (BC) governing the sale of wine in grocery stores. The United States alleged that the BC wine measures provide advantages to BC wine through the granting of exclusive access to the retail channel of selling wine on grocery store shelves, while limiting imported wine to be sold in grocery stores only through a so-called “store within a store.” The parties failed to reach a mutually satisfactory resolution to this dispute. On May 25, 2018, the United States

requested that the WTO establish a panel to consider the U.S. complaint.

The United States alleges that BC measures are inconsistent with Canada’s obligations under Article III:4 of the *General Agreement on Tariffs and Trade 1994*.

III. Public Comments: Requirements for Submissions

USTR invites written comments concerning the issues raised in this dispute. All submissions must be in English and sent electronically via www.regulations.gov. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the “type comment” field.

Filers of submissions containing business confidential information also must submit a public version of their comments. The file name of the public

If this is not sufficient to protect business confidential information or otherwise protect business interests, please contact Sandy McKinzy at (202) 395-9483 to discuss whether alternative arrangements are possible.

USTR may determine that information or advice contained in a comment, other than business confidential information, is confidential in accordance with section 135(g)(2) of the Trade Act of 1974 (19 U.S.C. 2155(g)(2)). If a submitter believes that information or advice is confidential, s/he must clearly designate the information or advice as confidential and mark it as "SUBMITTED IN CONFIDENCE" at the top and bottom of the cover page and each succeeding page, and provide a non-confidential summary of the information or advice.

Pursuant to section 127(e) of the URAA (19 U.S.C. 3537(e)), USTR will maintain a docket on this dispute settlement proceeding, docket number USTR-2018-0019, accessible to the public at www.regulations.gov. The public file will include non-confidential public comments USTR receives regarding the dispute. If a dispute settlement panel is convened, or in the event of an appeal from a panel, USTR will make the following documents publicly available at www.ustr.gov: The U.S. submissions and any non-confidential summaries of submissions received from other participants in the dispute. The report of the panel, and, if applicable, the report of the Appellate Body, will also be available on the website of the World Trade Organization, at www.wto.org.
