## DEPARTMENT OF COMMERCE

### Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* Office of the Chief Information Officer, Office of the Secretary, Commerce.

*Title:* The Research Performance Progress Report.

*OMB Control Number:* 0690–0032.

*Form Number(s):* None.

*Type of Request:* Revision of a currently approved collection.

*Estimated Number of Respondents:* 2,550.

*Estimated Time per Response:* 5 hours.

*Estimated Total Annual Burden Hours:* 12,750.

*Needs and Uses:* The development of the Research Performance Progress Report (RPPR) resulted from an initiative of the Research Business Models (RBM), an Interagency Working Group of the Social, Behavioral & Economic Research, Subcommittee of the Committee on Science (CoS), a committee of the National Science and Technology Council (NSTC). One of the RBM Subcommittee's priority areas was to create greater consistency in the administration of Federal research awards. Given the increasing complexity of interdisciplinary and interagency research, it is important for Federal agencies to manage awards in a similar fashion. The RPPR is an OMB approved uniform format to be used by Federal agencies in submission of progress reports that support research and research-related activities. It is intended to replace other performance reporting formats currently in use by Federal agencies. However, the RPPR does not change the performance

reporting requirements specified in 2 CFR 200.

*Affected Public:* Individuals or households; Business or other for-profit organizations; Not-for-profit institutions; State, Local, or Tribal government; Federal government.

*Respondent's Obligation:* Mandatory.

*Legal Authority:* The Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106–107), and 2 CFR 200.328.

This information collection request may be viewed at [www.reginfo.gov](http://www.reginfo.gov). Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov) or fax to (202) 395–5806.

## DEPARTMENT OF COMMERCE

### Foreign-Trade Zones Board

[B–39–2018]

#### Foreign-Trade Zone (FTZ) 106—Oklahoma City, Oklahoma; Notification of Proposed Production Activity; Eastman Kodak Company (Printing Flexographic Plates); Weatherford, Oklahoma

Eastman Kodak Company (Eastman Kodak) submitted a notification of proposed production activity to the FTZ Board for its facility in Weatherford, Oklahoma. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 13, 2018.

Eastman Kodak already has authority to produce flexographic finished plates, aluminum finished printing plates, thermo imaging layer, direct imaging recording film sheets, and direct imaging record film rolls within Subzone 106F. The current request would add foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Eastman Kodak from

customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Eastman Kodak would be able to choose the duty rates during customs entry procedures that apply to finished products in the existing scope of authority. Eastman Kodak would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include non-aromatic esters of amino-acids, propylene oxide-modified trimethylol propane triacrylate and foamed polyethylene resin sheet (packaging material used between plates) (duty rates range from 3% to 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 6, 2018.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

For further information, contact Christopher Wedderburn at [Chris.Wedderburn@trade.gov](mailto:Chris.Wedderburn@trade.gov) or (202) 482–1963.

Dated: June 19, 2018.

**Andrew McGilvray,**  
*Executive Secretary.*

### Foreign-Trade Zones Board

[B–40–2018]

#### Foreign-Trade Zone 9—Honolulu, Hawaii; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the State of Hawaii, grantee of FTZ 9, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can
